Sermons On Crises In The Life Of Jesus:

Sermons on Crises in the Life of Christ Charles Haddon Spurgeon, 1966 *Sermons on Crises in the Life of Jesus* Charles Haddon Spurgeon, 1966 Sermon for the Crisis James S Smart, 1867 Sermon on Crises in the Life of Jesus Charles Haddon Spurgeon, 1966 **Creation-Crisis Preaching** Leah D. Schade, 2015-09-01 How can we proclaim justice for God's Creation in the face of global warming How does fracking fit with the earth and its fullness are the Lord's Creation Crisis Preaching works with the premise that all of Creation including humankind needs to hear the Good News of Jesus resurrection in this age in which humanity is crucifying Creation Informed by years of experience as an environmental activist and minister Leah Schade equips preachers to interpret the Bible through a green lens become rooted in environmental theology and learn how to understand their preaching context in terms of the particular political cultural and biotic setting of their congregation Creation Crisis Preaching provides both theoretical grounding and practical tips for preachers to create environmental sermons that are relevant courageous creative pastoral and inspiring **Preaching to a World in Crisis** Horton Davies, 2009-02-01 This second volume of sermons appearing after *Believing* is organized according to Davies's journey in time and space and his first hand experience of the troubled world on three continents Word War II in England and Germany race relations in South Africa and the need for Human Rights in America In addition to history literature psychology and lore the sermons mainly use argumentation to console the heart and show the way to compassion and justice in the name of Christ **Easter and the Eastern Crisis. A sermon [on Luke xxiv. 5, 6] for the present time**, 1854 *The sermon Bible [extr. from sermons on the Bible by various authors]*, 1891 **Preaching the Parables** Craig L. Blomberg, 2004-07 A guide to preaching the parables that shows how to first interpret the parables then proclaim their significance *Preaching Christ from Psalms* Greidanus, 2016 In this final volume of his series on preaching Christ from the Old Testament Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should Greidanus proceeds by discussing twenty two psalms in the Revised Common Lectionary Year A supplying the building blocks necessary to preach from Psalms at Christmas Easter Pentecost and other major days and seasons of the church year In addition to laying out basic homiletical theological approaches suitable for each selected psalm these chapters also provide verse by verse exposition bridges to Christ in the New Testament and ideas for placing the psalmist's words into contemporary context **More than a Sermon** Douglas D. Webster, 2024-05-08 Preach with compassion and conviction In *More than a Sermon* Douglas D Webster highlights the prophetic and pastoral challenge of preaching today The task is both harder and easier than we imagine as we are called to proclaim the biblical text in a way that convicts a hostile world while encouraging our congregations to rest in Christ's love We need preaching that both swings the hammer that breaks hard hearts yet does not break the bruised reeds in our care Offering practical insights and examples Webster explores what it means to preach

the gospel in different seasons such as Advent and Lent Memorial services and weddings Times of crisis or social impact More than a Sermon is a valuable resource for both new pastors and veteran preachers who want to proclaim the whole counsel of God with power and wisdom **The Sermon Bible: John iv to Acts vi** ,1892 *Jesus, the Gospels, and the Galilean Crisis* Tucker S. Ferda,2018-12-27 Tucker S Ferda examines the theory of the Galilean crisis the notion that the historical Jesus himself had grappled with the failure of his mission to Israel While this theory has been neglected since the 19th century due to research moving to consider the response of the early church to the rejection of the gospel Ferda now provides fresh insight on Jesus own potential crisis of faith Ferda begins by reconstructing the origin of the crisis theory expanding upon histories of New Testament research and considering the contributions made before Hermann Samuel Reimarus He shows how the crisis theory was shaped by earlier and so called pre critical gospel interpretation and examines how despite the claims of modern scholarship the logic of the crisis theory is still a part of current debate Finally Ferda argues that while the crisis theory is a failed hypothesis its suggestions on early success and growing opposition in the ministry as well as its claim that Jesus met and responded to disappointing cases of rejection should be revisited This book resurrects key historical aspects of the crisis theory for contemporary scholarship Social Crisis Preaching Tyshawn Gardner,2023-02-01 This book provides a theology for social crisis preaching by arguing that Christian proclamation is the best prescription for the social crises in our world Social Crisis Preaching positions the pastor as a sacred anthropologist one who is aware of both the crises in one s community but also as one who has a firm understanding of the people in the pews It also equips the preacher with both the hermeneutical and homiletical tools to confront social crisis with biblical integrity Lastly this book argues that social crisis preaching develops Christians disciples and congregations as those who care about and confront the social crisis in their neighbor s community following the biblical mandate to love your neighbor as yourself
