Schmalenberger, 2000 The miracles of Jesus are some of the most striking passages in the New Testament they bring the power of God up close and personal by dramatically rearranging human situations and teaching us great spiritual truths But how can we translate the sometimes arcane historical content of the miracle stories in a way that will be meaningful to contemporary sensibilities Jerry Schmalenberger has come up with an original solution in these thirteen well crafted sermons on miracle stories contained in the Revised Common Lectionary Using the analogy of old 45 rpm records which were usually released with a hit side and a flip side Schmalenberger shares a structure for presenting the miracles in narrative form He initially focuses on the traditional approach to each miracle the A or hit side and then offers a fresh look at the other side of the story the B or flip side Schmalenberger's punch contemporary language and narrative style produce hard hitting and inspirational messages that offer a unique twist in the interpretation of these fascinating stories Jerry L Schmalenberger has taught speech and communication at Wittenberg University and Urbana College and was a parish pastor for 29 years serving some of the nation's largest Lutheran congregations Recently retired as professor of parish ministry and president of Pacific Lutheran Theological Seminary in Berkeley California he now serves as a Global Mission Volunteer for the Evangelical Lutheran Church in America Schmalenberger has preached and taught throughout the world most recently teaching with the faculty of the Lutheran Seminary in Hong Kong Schmalenberger has also taught at seminaries in Germany Jamaica Argentina Surinam Indonesia and Liberia A graduate of Wittenberg University and Hamma School of Theology in Springfield Ohio where he received his D Min degree Schmalenberger was honored by Wittenberg with a D Div degree
