The Works of John Donne, D.D., Dean of Saint Paul's, 1621-1631 John Donne, 1839 *The Bible class magazine [ed. by C.H. Bateman]*. National Sunday school union, 1849 *The Revelation of Jesus Christ* Alfred J. Chompff Pastor, 2013 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book **O, the Depth of the Riches** Commie Dunn, 2022-10-26 The O the Depth of the Riches is all about leaving the principles of the doctrine of Christ and going on unto perfection Hebrews 6 1 The Hebrew writer instructs us that as soon as we are saved we should start trying to find out more about our Savior This is not about the perfection of the flesh but growing in the grace and knowledge of Jesus Christ The articles in this book are to facilitate that growing or edifying the saints of God to know more about Jesus Christ the Son of God As the apostle Paul said That your faith should not stand in the wisdom of men but in the power of God 1 Corinthians 2 5 How do we stand in the power of God By following the leadership of

the Holy Spirit to stand for the truth of God God wants to be behind our growth and understanding Paul said to us That the God of our Lord Jesus Christ the Father of glory may give unto you the spirit of wisdom and revelation in the knowledge of him The eyes of your understanding being enlightened that ye may know what is the hope of his calling and what the riches of the glory of his inheritance in the saints Ephesians 1 17 18 The local assembly that we call a church has become very weak especially in terms of the spirituality of the saints in those churches I have seen that with my own eyes and heard with my own ears Therefore the blessed Lord God has led me to study and write and share with my brothers and sisters in Christ The edification of the saints of God is very important to the salvation of the lost Paul said Only let your conversation be as it becometh the gospel of Christ So what we learn from the scripture by the Holy Spirit is crucial for God s people The Holy Spirit has laid on my heart to strengthen the local church by publishing this book for the spared of the gospel of Jesus Christ

Expositions on the Book of Psalms: Psalms 102-125 Saint Augustine (Bishop of Hippo.), 1853 **Animals in Heaven- Fantasy or Reality** Arch Stanton, 2006-06-02 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God s purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn t care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God s creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God s purpose for them The bible explains in detail God s plan for his animals even after death God wants us to know about them or he would never have

emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom You may then decide if the scriptures do indeed tell us animals have a soul do they have a spirit did God create them with a purpose in this life is he going to give them eternal life With God s help you will decide For more information please visit www.dutchman3d.com *The Land and the Book, Or Biblical Illustrations Drawn from the Manners and Customs, the Scenes and Scenery of the Holy Land* William McClure Thomson,1872 *Agony of Humankind and the Antidote* Sam Kneller,2020-11-17 Our world is in agony What s the antidote and how do we inject it There are billions of good people with a desire to do what s right and thousands of proposed solutions to the dilemmas that assail our planet Why can t humankind make more progress toward stable prosperity and peace of mind for all peoples Somehow something is holding us back putting a damper on initiatives and good will The Bible refers to a Serpent as the culprit behind human mind manipulation and sorrow But who wants to take the Bible at face value especially when it refers to a talking animal and the myth of a tree with forbidden fruit The narrative appears as whimsical nonsense an affront to critical thinking Sam Kneller takes you behind the scene English or any other translation cannot do justice to the original scriptures He reveals a unique method to unlock Bible meaning with his acclaimed study course 7 Keys to master Biblical Hebrew You can easily grasp the deep meaning behind the reality of a malevolent spirit being A conquering tyrant wielding awesome powers Discover the Serpent s strategy as the all time best influencer of human consciousness It broadcasts fake news and counterfeit wisdom directly into the human mind Our worst nightmares don t hold a candle to the corruption and confusion it disseminates with uncanny ease We unsuspecting na ve humans lap it up like a pack of thirsty jack asses as the lions crouch ready to pounce on a mentally abused prey On the bright side the life saving antidote is readily available but humanity is blind to its presence

wisdom and potency Learn how to take the blinders off see the obstacles and overcome the fiery dragon It can be done but will we have the insight stamina and fortitude to exercise our free will and follow that positive pathway Now you can explore the original significance of Biblical Hebrew like Sheli It is something I have been searching for a way to get past the translations and get to the deeper meaning of God s word Don t settle for just any How to Fix Humankind books that invade the bookstores This straightforward no holds barred deep dive into the why and what of the spiritual disintegration behind our planet s turmoil is a must read Journey from the dark of deceit and despair to the light of truth and peace of mind with honest attainable how to solutions Engage in understanding the Agony of Humankind and identifying the Antidote to save our nation and answer the big questions in life **Enoch, the Second Messenger of God** Edward Vaughan Kenealy,1872
