The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth Dr. Solomon Udo Solomon ,2016-03-31 The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth Vol II by Dr Solomon Udo Solomon The theme of The Testimony of the Son of Man is the restoration of the everlasting Gospel of the Kingdom of God on Earth as was brought down by Yeshua the Lamb of Yahweh for the redemption of the entire humanity The impetus to write this series of books came to the author by a dream of inspiration In that dream Dr Solomon Udo Solomon was directed to preach only what Jesus taught the world Dr Solomon went through the Synoptic Gospels first then the Epistles of the accredited witnesses and finally the Book of Revelations Dr Solomon s understanding was quickened Finally he decided to read the letters of Saul of Tarsus He saw a whole world of contradictions from what Jesus as the Son of Man taught the world Dr Solomon then understood why the Lord laid emphasis on what He Himself taught the world as well as the very essence of the mandate given to him Dr Solomon understood the need to inform the world of his revelations This is in keeping with what Jesus Himself said And this Gospel of the Kingdom shall be preached to all nations as a witness against them and then shall the end come The Gospel of the Kingdom which is the Gospel of Lawfulness and Peace is what Jesus Himself taught the world in His words examples and customs The present messages in churches and other organizations are composites of wheat and tares because of their choice to flout the Lord s order in the Gospel of Matthew Chapter 23 verse 20 under the purported inspiration of their false prophet This work is in strict consistency with the mandate that was given to Dr Solomon The readers will know that there was a gross distortion of the Mission of Yeshua the Lamb of Yahweh to the world especially His actual work of redemption The cross of the murderers which is being extolled has no contribution to make for the redemption of mankind This work is intended to free those who care to accept it from the sin of accomplice which has constituted a plague to the whole world The false information peddled by the false prophet will eventually be discarded to pave way for the New World Order which rests squarely on what the Lamb of Yahweh bequeathed to the world This is the much needed foundation for the Lord s return to set His Millennial Government on Earth This work shall awaken the consciousness in the elects to preach only what the Lord Himself taught the world notwithstanding the temptation to believe and propagate the unscriptural letters of Saul of Tarsus

Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 4: S-Z
Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because

none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume four out of four and covering the letters S to Z *A Lexicon of Freemasonry* Albert Gallatin Mackey,1860 *Materials Toward a History of Witchcraft, Volume 1* Arthur C. Howland,2017-01-31 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **ENCYCLOPEDIA OF FREEMASONRY AND ITS KINDRED SCIENCES** ALBERT G. turbulence civil wars imperial conquest revolutions they have much to teach us In a revelatory history spanning five centuries a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of religion was invented why religion and politics are perpetually entangled in our supposedly secular age and how the power to call someone divine has been used and abused by both oppressors and the oppressed From nationalist uprisings in India to Nigerian spirit possession cults Anna Della Subin explores how deification has been a means of defiance for colonized peoples Conversely we see how Columbus Cortés and other white explorers amplified stories of their godhood to justify their dominion over native peoples setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores At once deeply learned and delightfully antic *Accidental Gods* offers an unusual keyhole through which to observe the creation of our modern world It is that rare thing a lyrical entertaining work of ideas one that marks the debut of a remarkable literary career
