The Power of a Focused Heart Mary Lou Redding, 2017-09-15 Looking to simplify your life quiet your mind find your unique spiritual gifts and make a difference Turn to the Beatitudes Sometimes teachings from well known biblical passages are so obvious and preached so often that we

overlook other helpful not so obvious lessons The Beatitudes are celebrated as being the template for humble Christian living Dig deeper and you ll also find practical applications for living a simpler yet more spiritually engaged life especially in this distraction heavy and frenzied world the Beatitudes are not easy sayings we can glibly incorporate in our way of life writes Redding Like so much of what Jesus said they invite us to move beyond first impressions and surface meanings They challenge us to explore Using Jesus teachings about the kingdom of heaven and how that message spurs us to critically evaluate our priorities Redding says we must learn to say no to some things to say yes to God The book s brief chapters are just right for today s busy schedules and can be read in minutes Daily exercises following each chapter will help you consider and practice lessons learned and respond to scripture in a self guided study Also included are meeting plans for an 8 session small group study of the book

The Beatitudes for Today James C. Howell, In this volume of the For Today series author and pastor James Howell takes us on an engaging exploration of the Beatitudes Howell considers each of the well known phrases in these passages from Matthew and creatively applies Jesus teachings to our contemporary world and Christian lives The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use

Living on Hope While Living in Babylon Tripp York,2009-04-23 Though Christendom has come to an end it appears that old habits die hard Jesus promised his followers neither safety nor affluence but rather that those who come after him should expect persecution Christian discipleship and tribal nationalism however despite the legal separation of church and state continue to be co opted into the nation state project of prosperity and security This co option has made it difficult for the church to recognize her task to be a prophetic witness both for and against the state That only a small pocket of Christians bear witness against such an accommodation of Christian practice is disconcerting and yet it breeds hope In Living on Hope While Living in Babylon Tripp York examines a few twentieth century Christians who lived such a witness including the Berrigan brothers Dorothy Day and Eberhard Arnold These witnesses can be viewed as anarchical in the sense that their loyalty to Christ undermines the pseudo soteriological myth employed by the state While these Christians have been labeled pilgrims revolutionaries nomads subversives agitators and now anarchists they are more importantly seekers of the peace of the city whose chief desire is for those belonging to the temporal cities to be able to participate in the eternal city the city of God By examining their ideas and their actions this book will attempt to understand how the politics of the church an apocalyptic politic is necessary for the church to understand her mission as bearer of the gospel

**The Battle for Bonhoeffer** Stephen R. Haynes, 2018-09-13 The figure of Dietrich Bonhoeffer 1906-1945 has become a clay puppet in modern American politics Secular radical liberal and evangelical interpreters variously shape and mold the martyr's legacy to suit their own pet agendas Stephen Haynes offers an incisive and clarifying perspective A recognized Bonhoeffer expert Haynes examines populist readings of Bonhoeffer including the acclaimed biography by Eric Metaxas Bonhoeffer Pastor Martyr Prophet Spy In his analysis Haynes treats among other things the November 2016 election of Donald Trump and the Bonhoeffer moment announced by evangelicals in response to the US Supreme Court's 2015 decision to legalize same sex marriage The Battle for Bonhoeffer includes an open letter from Haynes pointedly addressing Christians who still support Trump Bonhoeffer's legacy matters Haynes redeems the life and the man
