Servants Of The Gospel:

Servants Of The Word Sean Loone,2021-07-30 What does it mean to be invited by Christ to be a Servant of the Word How is it possible today to live life in such a way that it is contrary to popular culture Is it possible to know anything about God and if so how Who can people turn to if they want to know more about the Gospel of Jesus Christ and what it means for life in the modern world What does it mean to conform your life as far as that is possible to that of Christ who came not to be served but to serve These are just some of the questions explored in this book as the author a deacon himself invites the reader to understand what it means to be a Servant of the Word Whether you are a minister of the church or not this book invites you to immerse yourself in the scriptures in order to be able to find Christ who is as present in his Word as he is in the sacraments The aim is to feed the mind sustain the soul and touch the heart as we discover that it is in fact God who comes in search of us The emphasis is very much on seeing the scriptures as a dialogue between God and the human race Ultimately and in the light of this the reader is invited to ask the question what might God be inviting me to do *Gospel Herald* ,1928

Colossians David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey [Servants for His Glory](#) Miguel Núñez,2021-06-15 Being is greater than doing We all come into the world with a certain emptiness in our lives an emptiness that leads to a search for meaning And the world tells us that search for meaning can be solved by doing Unfortunately an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life This explains the many failures we continuously see in day to day life When a person s inner life who he or she is is not prepared that person s character does not have the maturity or the strength to sustain them in the long run In this book Miguel N ez points us to Scripture and experience to show us how being is more important than doing He teaches us how to cultivate the foundations of our lives so that we can be what we need to be in order to do what we need to do *Servant and Son* J. Ramsey Michaels,2017-04-25 First published in 1981 *Servant and Son* attempts to look simultaneously at Jesus as the subject of our four canonical Gospels and as a figure at times the main figure in his own parables The parables are understood not as fictions he created but as stories his Father told him revelations received from God in his capacity as a

prophet From these parables he emerges as servant of God Son of God and much more anticipating in a variety of ways the Jesus of the four Gospels *The Spirituality of Following Jesus in John's Gospel* Sean Seongik Kim,2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John s Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son s communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term *akolouthein* to follow and correlated motifs in John s Gospel **Exalting Jesus in Colossians & Philemon** Dr. Daniel L.
