Carolina Quarterly, 1989 Conversations with Ellen Douglas Panthea Reid, 2000 So when I went down to ask my aunts if it would be all right to publish *A Family's Affairs* they said it was okay so long as they didn't have to read it and if I would use a pen name This collection of interviews from three decades features one of the South's most prominent contemporary writers one of America's most dazzling practitioners of postmodern fiction From the early sixties when she published the award winning *A Family's Affairs* to the late nineties and the publication of *Truth Four Stories I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it's just funnier Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a

young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas s narrative sensibility and to the profound use of allusions in her work As she discusses *A Family s Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales Can t Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas s lasting body of powerful work It also provides the tools for the in depth studies of her art which are sure to follow So when I went down to ask my aunts if it would be all right to publish *A Family s Affairs* they said it was okay so long as they didn t have to read it and if I would use a pen name This collection of interviews from three decades features one of the South s most prominent contemporary writers one of America s most dazzling practitioners of postmodern fiction From the early sixties when she published the award winning *A Family s Affairs* to the late nineties and the publication of *Truth* *Four Stories* *I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it s just funnier Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas s narrative sensibility and to the profound use of allusions in her work As she discusses *A Family s Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales Can t Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers

the only comprehensive introduction to Douglas's lasting body of powerful work. It also provides the tools for the in-depth studies of her art which are sure to follow. The Cambridge Companion to the American Short Story Michael J.

Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day. Rather than define what the short story is as a genre or defend its importance in comparison with the novel, this Companion seeks to understand what the short story does, how it moves through national space, how it is always related to other genres and media, and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies. The chapters offer authoritative introductions and reinterpretations of a literary form that has re-emerged as a major force in the twenty-first century public sphere dominated by the Internet. **English Journal**, 2000 Dirt and Desire Patricia Yaeger, 2009-02-15 The story of southern writing the Dixie Limited if you will runs along an iron path, an official narrative of a literature about community, about place and the past, about miscegenation, white patriarchy, and the epic of race. Patricia Yaeger dynamites the rails, providing an entirely new set of categories through which to understand southern literature and culture. For Yaeger, works by black and white southern women writers reveal a shared obsession with monstrosity and the grotesque and with the strange zones of contact between black and white, such as the daily trauma of underpaid labor and the workings of racial and gender politics in the unnoticed yet all too familiar everyday. Yaeger also excavates a southern fascination with dirt: who owns it, who cleans it, and whose bodies are buried in it. Yaeger's brilliant theoretically informed readings of Zora Neale Hurston, Harper Lee, Carson McCullers, Toni Morrison, Flannery O'Connor, Alice Walker, and Eudora Welty, among many others, explode the mystifications of southern literary tradition and forge a new path for southern studies. The book won the Barbara Perkins and George Perkins Award given by the Society for the Study of Narrative Literature. **Kliatt Young Adult Paperback Book Guide**, 1992 **Richard Wright** Kenneth

Kinamon, 2014-11-04 African American writer Richard Wright 1908-1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son*. By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever, and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author, within years are some 8320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics. Ethnicity and the American Short Story Julie Brown, 2013-05-13 How do different ethnic groups approach the short story form? Do different groups develop culture-related themes? Do oral traditions within a

particular culture shape the way in which written stories are told Why does the community loom so large in ethnic stories How do such traditional forms as African American slave narratives or the Chinese talk story shape the modern short story Which writers of color should be added to the canon Why have some minority writers been ignored for such a long time How does a person of color write for white publishers editors and readers Each essay in this collection of original studies addresses these questions and other related concerns It is common knowledge that most scholarly work on the short story has been on white writers This collection is the first work to specifically focus on short story practice by ethnic minorities in America ranging from African Americans to Native Americans Chinese Americans to Hispanic Americans The number of women writers discussed will be of particular interest to women studies and genre studies researchers and the collections will be of vital interest to scholars working in American literature narrative theory and multicultural studies
