The Inner Man John Baxter,2011-09-08 An explosive and perceptive biography of the British novelist J G Ballard To many people J G Ballard will always be the schoolboy in Steven Spielberg s movie Empire of the Sun struggling to survive as an internee of the Japanese during World War II Others remember him as the author of CRASH a meditation on the eroticism of the automobile and the car crash which also became a film and a cause celebre for its frank depiction of a fetish which as this book reveals was no literary conceit but a lifelong preoccupation In this first biography John Baxter draws on an admiration of and acquaintance with Ballard that began when they were writers for the same 1960s science fiction magazines With the help of the few people whom he admitted to his often hermit like existence it illuminates the troubled reality behind the urbane and amiable facade of a man who was proud to describe himself as psychopathic

The Fetish Massimo Fusillo,2017-09-21 Object fetishism is becoming a more and more pervasive phenomenon Focusing on literature and the visual arts including cinema this book suggests a parallelism between fetishism and artistic creativity based on a poetics of detail which has been brilliantly exemplified by Flaubert s style After exploring canonical accounts of fetishism Marx Freud Benjamin by combining a historicist approach with theoretical speculation Massimo Fusillo identifies a few interpretive patterns of object fetishism such as seduction from Apollonius of Rhodes to Max Oph ls memory activation from Goethe to Louise Bourgeois and Pamuk and the topos of the animation of the inanimate Whereas all these patterns are characterized by a projection of emotional values onto objects modernism highlights a more latent component of object fetishism the fascination with the alterity of matter variously inflected by Proust Woolf Joyce Barnes and Mann The last turning point in Fusillo s analysis is postmodernism and its obsession with mass media icons from DeLillo s maximalist frescos and Zadie Smith s reflections on autographs to Palahniuk s porn objects from pop art to commodity sculpture

Surrealism and Its Others Katharine Conley,Pierre Taminiaux,2006-01-01 This issue of Yale French Studies on Surrealism and Its Othersexamines the works and theories of writers artists and thinkers who positioned themselves and their productions in dialogue with Breton s surrealism Although surrealism always sought to distinguish itself from other movements and ideologies its members often celebrated their commonality with many others outside of the official group with whom they shared their passions Marxists visual artists filmmakers psychiatrists and ethnographers Each of the writers artists and thinkers examined here were either temporarily associated with surrealism or were influenced by its collective and open spirit even if in a primarily opposing or questioning role In some cases this outside perspective came from as close as Belgium and other European countries In other cases it came from farther away from North Africa or North America which reveals surrealism s engagement with non European formerly colonized cultures reflects its staunchly anti

colonial stance and confirms the movement as something more than an aesthetic phenomenon Along with its aesthetic mission surrealism was also and perhaps more importantly a powerful political and social reality This issue examines works by artists writers and theorists who were all in their own ways located outside of yet close to surrealism and who provide us with a new perspective on this avant garde and modernist movement Martine Antle Surrealism and the Orient Adam Jolles The Tactile Turn Envisioning a Post Colonial Aesthetic in France Jonathan P Eburne Automatism and Terror Surrealism Theory and the Postwar Left Pierre Taminiaux Breton and Trotsky The Revolutionary Memory of Surrealism Richard Stamelman Photography The Marvelous Precipitate of Desire Robert Harvey Where s Duchamp Out Queering the Field Raphaelle Moine From Surrealist Cinema to Surrealism in the Cinema Does a Surrealist Genre Exist in Film Georgiana M M Colville Between Surrealism and Magic Realism The Early Feature Films of Andr Delvaux 1926 2002 the Other Delvaux Katharine Conley Surrealism and Outsider Art From the Automatic Message to Andr Breton s Collection

Movie Lists Paul Simpson, 2011-05-26 Action African greats alcohol Robert Aldrich aliens Woody Allen Pedro Almodovar Robert Altman animated anime apocalypses Argentina art Asia minor avant garde And that s just A for you A taste of this fabulously quirky and enjoyable book which is both a celebration of movies and movie trivia and a handy entertaining guide to films that we know you will enjoy It is fantastically functional The lists are well conceived and easy to understand mostly assembled by genre actor director theme or country of origin and the reviews are witty and informative Oddly enough most movie guides are not full of recommendations But *Movie Lists* is in spades leaving readers in no doubt that the films reviewed are the business Oh and you don t have to watch them all before you die There is no premise of death in this book You just

need to get down to the local Blockbusters or flick your remote to Movies on Demand Only the popcorn is not supplied
