the court and more recently on urban space The present volume invites readers to consider the meaning of rural space both in light of ecocritical readings and social historical approaches While previous scholars examined the figure of the peasant in the premodern world the current volume combines a large number of specialized studies that investigate how the natural environment and the appearance of members of the rural population interacted with the world of the court and of the city The experience in rural space was important already for writers and artists in the premodern era as the large variety of scholarly approaches indicates The present volume signals how much the surprisingly close interaction between members of the aristocratic and of the peasant class determined many literary and art historical works In a surprisingly large number of cases we can even discover elements of utopia hidden in rural space We also observe how much the rural world was a significant element already in early medieval mentality Moreover as many authors point out the impact of natural forces on premodern society was tremendous if not catastrophic

Seifert,Rebecca M. Wilkin,2016-03-03 Today the friendships that grab people s imaginations are those that reach across inequalities of class and race The friendships that seem to have exerted an analogous level of fascination in early modern France were those that defied the assumption inherited from Aristotle and patristic sources that friendships between men and women were impossible Together the essays in Men and Women Making Friends in Early Modern France tell the story of the declining intelligibility of classical models of male friendship and of the rising prominence of women as potential friends The revival of Plato s friendship texts in the sixteenth century challenged Aristotle s rigid ideal of perfect friendship between men In the seventeenth century a new imperative of heterosociality opened a space for the cultivation of cross gender friendships while the spiritual friendships of the Catholic Reformation modeled relationships that transcended the gendered dynamics of galanterie Men and Women Making Friends in Early Modern France argues that the imaginative experimentation in friendships between men and women was a distinctive feature of early modern French culture The ten essays in this volume address friend making as a process that is creative of self and responsive to changing social and political circumstances Contributors reveal how men and women fashioned gendered selves and also circumvented gender norms through concrete friendship practices By showing that the benefits and the risks of friendship are magnified when

gender roles and relations are unsettled the essays in this volume highlight the relevance of early modern friend making to friendship in the contemporary world **The Wedding Ring** Thomas De Witt Talmage,1886 **Gathered Gems** Thomas De Witt Talmage,1889 **Sambuca Scarlet** Traci Andrighetti,2025-09-25 Franki s plans to get hitched hit a serious snag Wedding bells are ringing for Franki Amato She s overjoyed and overstressed Family and friends have gathered in New Orleans to see her tie the knot and her mom and nonna are giving her marital advice she d rather not get But the walk down the aisle takes a hard right when someone drops dead at Bradley s bachelor party and he s the main suspect With only one week to go until the big day Franki puts on her PI hat to save the date quite literally The investigation takes her places she d rather not revisit chief among them the creepy old Pharmacy Museum the haunted garden behind St Louis Cathedral and her ex stripper landlady s costume closet Even spookier there are ghostly goings on at the pasta factory turned hotel where she s staying and an unknown person is leaving ominous objects too close to home in her room Will Franki identify the killer and get her happily ever after Or will Till death do us part come far too soon Sambuca Scarlet is book 10 in the Franki Amato Mysteries but it can be read as a standalone story If you like zany characters and laugh out loud humor with a splash of suspense then you ll drink up this fun series by USA Today Bestselling Author Traci Andrighetti Cheers FRANKI AMATO MYSTERIES Limoncello Yellow book 1 Prosecco Pink book 2 Amaretto Amber book 3 Campari Crimson book 4 Galliano Gold book 5 Marsala Maroon book 6 Valpolicella Violet book 7 Tuaca Tan book 8 Nocino Noir book 9 Braulio Brown Thanksgiving novella Sambuca Scarlet book 10 To find out what Franki s up to between the books join Traci s newsletter on her website to get the Franki Amato Mini Mysteries for FREE The good times roll in Traci Andrighetti s Franki Amato series Cleverly named with colorful Italian libations and filled with equally colorful characters these fast paced and funny cozies feature a dryly witty sleuth and a New Orleans setting so well rendered you can taste the Hurricanes cher Rosie Genova bestselling author Traci Andrighetti s Franki Amato Mysteries have me tickled pink Her smart sassy heroine wacky cast of characters and vividly original settings had me glued to the page I can t wait to read more from this author Gemma Halliday New York Times bestselling author Andrighetti s dialogue is genuine yet uproarious and her glowing characters animatedly leap off the page Her sparkling wit keeps the hijinks brimming with merriment Long Island Book Reviews
