readers to de clutter their minds hearts relationships and souls in a book of daily Lenten practices woven from the gospels the Desert Fathers and the author's own wealth of spiritual experience What are you giving up for Lent this year It's the expected question amongst Christian friends each spring In *Simplifying the Soul* Lenten Practices to Renew Your Spirit Huston asks her readers a deeper alternative sort of question How will you rid your life of excess this Lent She encourages readers to see Lent as a time to seek out silence and free themselves of stuff and to acknowledge the connections between what they pray about and what they do With honesty vulnerability and grace Huston challenges readers to move outward and act showing them how everyday actions like cleaning out a junk drawer giving away something no longer used or spending

fifteen minutes in silence can be surprisingly powerful ways of experiencing a more meaningful Lent and a simpler life. Whether cutting up a credit card, visiting someone at the hospital, or forgiving someone with whom they are angry, readers experience under Huston's gentle and expert care how such practices lead to a more authentic Christian faith.
