Rose In The Afternoon And Other Poems:

Rose in the Afternoon, and Other Poems Jenny Joseph, 1974 **The History of British Women's Writing, 1945-1975** Clare Hanson, Susan Watkins, 2017-09-14 This volume reshapes our understanding of British literary culture from 1945-1975 by exploring the richness and diversity of women's writing of this period. Essays by leading scholars reveal the range and intensity of women writers' engagement with post-war transformations including the founding of the Welfare State, the gradual liberalization of attitudes to gender and sexuality and the reconfiguration of Britain and the empire in the context of the Cold War. Attending closely to the politics of form, the sixteen essays range across literary middlebrow and popular genres including espionage thrillers and historical fiction, children's literature and science fiction as well as poetry, drama and journalism. They examine issues including realism and experimentalism, education, class and politics, the emergence of second-wave feminism, responses to the Holocaust and mass migration and diaspora. The volume offers an exciting reassessment of women's writing at a time of radical social change and rapid cultural expansion.

The Oxford Companion to Modern Poetry in English Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1,700 biographical entries on poets writing in English from 1910 to the present day, including T.S. Eliot, Dylan Thomas and Carol Ann Duffy. Authoritative and accessible, it is a must-have for students of English and creative writing as well as for anyone with an interest in poetry.

Anthology of Magazine Verse William Stanley Braithwaite, 1924. Vol. for 1958 includes Anthology of poems from the seventeen previously published Braithwaite anthologies.

Growing Old in Christ Stanley Hauerwas, 2003-06-20 One of the hallmarks of contemporary culture is its attitude toward aging and the elderly. Youth and productivity are celebrated in today's society while the elderly are increasingly marginalized. This not only poses difficulties for old people but is also a loss for the young and middle-aged who could learn much from the elderly, including what it means to grow old and die in Christ. *Growing Old in Christ* presents the first serious theological reflection ever on what it means to grow old, particularly in our culture and particularly as a Christian. In a full-orbed discussion of the subject, eighteen first-rate Christian thinkers survey biblical and historical perspectives on aging, look at aging in the modern world and describe the Christian practice of growing old. Along the way they address many timely issues including the medicalization of aging, the debate over physician-assisted suicide and the importance of friendships both among the elderly and between the elderly and the young. Weighty enough to instruct theologians, ethicists and professional caregivers, yet accessible enough for pastors and general readers, this book will benefit anyone seeking faith-based insight into growing old.
