After Camelot J. Randy Taraborrelli,2012-04-24 In this ambitious and sweeping account Taraborrelli continues the family chronicle begun with his bestselling Jackie Ethel Joan and provides a behind the scenes look at the years after Camelot For more than half a century Americans have been captivated by the Kennedys their joy and heartbreak tragedy and triumph the dark side and the remarkable achievements He describes the challenges Bobby s children faced as they grew into adulthood Eunice and Sargent Shriver s remarkable philanthropic work the emotional turmoil Jackie faced after JFK s murder and the complexities of her eventual marriage to Aristotle Onassis the sudden death of JFK JR and the stoicism and grace of his sister Caroline He also brings into clear focus the complex and intriguing story of Edward Teddy and shows how he influenced the sensibilities of the next generation and challenged them to uphold the Kennedy name Based on extensive research including hundreds of exclusive interviews After Camelot captures the wealth glamour and fortitude for which the Kennedys are so well known With this book J Randy Taraborrelli takes readers on an epic journey as he unfolds the ongoing saga of the nation s most famous and controversial family *Subject Guide to Books in Print* ,1984 **John F. Kennedy** Michael O'Brien,2006-05-16 John F Kennedy creates an absorbing insightful and distinguished biography of one of America s most legendary Presidents While current fashion in Kennedy scholarship is to deride the man s achievements this book describes Kennedy s strengths explains his shortcomings and offers many new revelations There are many specialized books on Kennedy s career but no first class modern biography one that takes advantage of the huge volume of recent books and articles and new material released by the JFK library Ten years in the making this is a balanced and judicious profile that goes beyond the clash of interpretations and offers a fresh nuanced perspective **Fallen Prince** Jon Dietz,2021-12-28 John Kennedy like Marcus Aurelius two thousand years ago served at the apex of his country s power and glory His life was only half over when an assassin s bullet took him away from his countrymen and his family For those who were alive in 1963 his violent death was a bigger jolt than the natural death of Franklin Delano Roosevelt in 1945 Kennedy has been gone now for fifty eight years The controversy surrounding his death has never abated Half the country believes Lee Harvey Oswald was

the sole architect of the murder The other half believes the government hid the real conspiracy The sands of time have finally revealed the actual actors responsible Fallen Prince is a political thriller involving interaction between historical and fictional characters The goal is to finally name the men who ended Camelot after one thousand days A secondary goal is to entertain readers who love history and drama
