Rosebud, June 17, 1876 Paul L. Hedren,2019-04-11 The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West The monumental clash on June 17 1876 along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse It set the stage for the battle that occurred eight days later when just twenty five miles away George Armstrong Custer blundered into the very same village that had outmatched Crook Historian Paul L Hedren presents the definitive account of this critical battle from its antecedents in the Sioux campaign to its historic consequences Rosebud June 17 1876 explores in unprecedented detail the events of the spring and early summer of 1876 Drawing on an extensive array of sources including government reports diaries reminiscences and a previously untapped trove of newspaper stories the book traces the movements of both Indian forces and U S troops and their Indian allies as Brigadier General Crook commenced his second great campaign against the northern Indians for the year Both Indian and army paths led to Rosebud Creek where warriors surprised Crook and then parried with his soldiers for the better part of a day on an enormous field Describing the battle

from multiple viewpoints Hedren narrates the action moment by moment capturing the ebb and flow of the fighting Throughout he weighs the decisions and events that contributed to Crook s tactical victory and to his fateful decision thereafter not to pursue his adversary The result is a uniquely comprehensive view of an engagement that made history and then changed its course Rosebud was at once a battle won and a battle lost With informed attention to the subtleties and significance of both outcomes as well as to the fears and motivations on all sides Hedren has given new meaning to this consequential fight and new insight into its place in the larger story of the Great Sioux War

Better Than Book Reports
Christine Boardman Moen,1992 Dozens of creative alternatives to the traditional book report including brochures culture kits story trees greeting cards tangram tales and more Includes easy to follow models *With Crook at the Rosebud* J. W. Vaughn,2017-12-01 Crook always maintained that since his command occupied the field after the battle he was not defeated at the Rosebud and that if the battle had gone according to his orders it would have resulted in a real triumph for his men This view was also held by his superiors although they called it a barren victory His part in the campaign was to form a junction with the other advancing columns combining with them in returning the infractious Sioux to their reservations His immediate purpose was to find and destroy the village of Crazy Horse He accomplished none of these objectives Instead he retired from the scene permitting the forces of Crazy Horse to concentrate their strength against the troops to the north From *With Crook at the Rosebud* The 1868 Treaty of Fort Laramie gave the Sioux and Cheyenne Indian tribes control over a wide region covering Montana Wyoming Nebraska and part of the Dakotas But in the 1870s gold was discovered in the Black Hills and white settlers invaded Indian territory in desperate search for the precious mineral Clashes between miners and Indians erupted After trying other means of settling the disputes the U S government decreed that all Indians in the northwest should be living on reservations by January 1876 The Sioux and the Cheyenne refused to obey so the Bureau of Indian Affairs called in the military to enforce the order Brigadier General George Crook led the Big Horn and Yellowstone Expeditionary forces into southern Montana against rebellious Sioux But Crazy Horse leading a party of Sioux and Cheyenne defeated a portion of Crooks command at Powder River in March 1876 In his chagrin and determination for revenge Crook led his troops to the Rosebud canyon to destroy Crazy Horse s village The two powerful forces each numbering more than one thousand men met at the Rosebud River on June 17 At the end of the fierce day long battle Crook returned to his base nearly forty miles away convinced that he had won Time would prove however that the battle resulted in a stalemate Crook s force was removed from the larger campaign and he was unable to come to Custer s aid at the Little Big Horn eight days later Though the Battle of the Rosebud had a significant impact on the rest of the campaign against the Sioux it has often been eclipsed by publicity surrounding the Battle of the Little Big Horn It was not until 1956 when *With Crook at the Rosebud* was first published by Stackpole that the first clear history of the battle emerged
