**Rosemary Conley's Amazing Inch Loss Plan** Rosemary Conley, 2012-09-30 Yes, you can lose a stone in a month and my trial dieters proved it. By following my brand new simple step by step 28 day plan, you'll see dramatic results like never before. In trials, a team of 50 dieters aged between 18 and 70 lost an average of 1 stone in just 28 days. Medically approved and the most effective diet I've ever created, the Amazing Inch Loss Plan is incredibly easy to follow and provides a safe long term way of keeping the weight off. I've included extensive and varied meal plans and essential motivational tips. Plus for the first time ever, I've incorporated high protein meal options perfect for dieters wishing to avoid carbohydrates.

**Rosemary Conley's 3-2-1 Diet** Rosemary Conley, 2015-12-31 There really is a better way to diet. Rosemary Conley has devised a plan to suit the way you eat. Whether you are a constant craver, a feaster or an emotional eater, Rosemary will show you how to diet to suit your personality. Research has shown that overweight or obese people can be characterised into three types. Constant Cravers are always hungry and would happily eat all the time. Feasters find that once they start eating it is difficult to stop. Emotional Eaters tend to turn to food at the slightest emotional upset. And now Rosemary Conley has created a unique selection of healthy eating plans to suit your eating type, including gluten free and lactose free options which dieters loosely follow for five days a week. Then for just two days they follow Rosemary Conley's 2 Day Eating Plan based on 800 calories per day. What makes this diet plan very different is that the 2 Day Eating Plan menus are designed to complement your different personality type. This is a unique and very exciting weight loss concept which has been tried and tested with amazing results.
