Adrian,2016-10-13 This is a book about someone going through a process of growth It is a group of poems that highlight what growth is These poems span over 20 years starting as early as 1993 You see a girl's growing pains as she starts out with dating and ends with falling in love It highlights what we know before we know what will happen to us The rose talks about what it is like to be thrown away and then be put back together again talking of a rebirth and transitioning from young girl to adulthood and the people that are affected in the process These are the people that affect us and the ones we affect In the book she knew she would meet him before she met him She wrote about and remembered him before he came to her life Sometimes we know things to be a lot deeper than what they appear to be It is a spiritual awakening This is the time of the shift We chose to incarnate here during a great shift We are all shifting into higher states of being We will begin to vibrate to higher levels as we become more crystalline Sometimes we just have to fumble and find our way to where we should be a few times It is normal to stumble and fall as we find our way This I hope should make it ok to feel the way we do *Rose Creek Ranch* Ann Laurel,
