A Rosicrucian Notebook Willy Schrodter, 1992-04-01 This book is incredibly valuable to students of various esoteric traditions because the notes and excerpts are taken from private and previously unpublished sources and from authors whose out of print books are not readily accessible Interesting information has been collected and annotated concerning such topics as blood telegraphy ever burning lamps optics spiritual skills in healing transplantation apparent death isopathy and magnetism Includes a look into a Rosicrucian workshop *Liber 420* Chris Bennett, 2018-04-20 Although little known cannabis and other psychoactive plants held a prominent and important role in the Occult arts of Alchemy and Magic as well as being used in ritual initiations of certain secret societies Find out about the important role cannabis played in helping to develop modern medicines through alchemical works Cannabis played a pivotal role in spagyric alchemy and appears in the works of alchemists such as Zosimos Avicenna Llull Paracelsus Cardano and Rabelais Cannabis also played a pivotal role in medieval and renaissance magic and recipes with instructions for its use appear in a number of influential and important grimoires such as the Picatrix Sepher Raxiel Liber Salomonis and The Book of Oberon Could cannabis be the Holy Grail With detailed historical references the author explores the allegations the Templars were influenced by the hashish ingesting Assassins of medieval Islam and that myths of the Grail are derived from the Persian traditions around the sacred beverage known as haoma which was a preparation of cannabis opium and other drugs Many of the works discussed have never been translated into English or published in centuries The unparalleled research in this volume makes it a potential perennial classic on the subjects of both medieval and renaissance history of cannabis as well as the role of plants in the magical and occult traditions

God: Rational Theology Guro Bert Domingo, 2012-01-24 Rational Theology In Search of World Peace Humanity is One The greatest single source of human conflict has to do with beliefs or of faith that one holds The variety of human ideas most often irreconcilable with one another has lead to divisions and endless schisms There is a great need to accommodate and harmonize ideas by convergence at the point where agreement is possible Rationalization convergence and unification at the center is necessary to achieve world peace However this is only possible when rational people can discuss openly without fear of each other The steps to accomplish this enormous task can only start with the individual This is the goal of this work A person needs to have sufficient knowledge to understand the various facets of life This would include a philosophical base of values with a worldview encompassing and transcending all biases and prejudices inherent in and inculcated by the culture No religious scientific or traditional views must be sacrosanct to analysis With adequate knowledge one gains freedom from ignorance and fear This book Rational Theology is a guidebook for any individual desiring to discover real freedom It is a companion of the authors book Freedom Trilogy Freedom Trilogy is a self help and how to book It helps develop thinking and reasoning abilities It challenges the mind to gain new perspectives It contains the ISA Introspective Self analysis method of discovering ourselves and gaining freedom from fear and anxieties Through Knowledge

Commentaries on The Occult Philosophy of Agrippa Willy Schrödter, 2000-01-01 Agrippa is known for three books Natural Magic Celestial Magic and Ceremonial Magic Until Donald Tyson translated books 2 and 3 in 1993 Agrippa's work was not available in English Schrödter has taken portions of these books published in German and added his own notes and research showing that some of the points Agrippa was making are still valid today

Hierophantic Landscapes Richard Leviton, 2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But what's a hierophant A person who reveals the holy light But it can also be a landscape or a planet And what's the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness That's the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because that's how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again
