The Facts on Spirit Guides John Ankerberg, John Weldon, 1988 Booklet discusses voluntary spirit possession or channeling Channelers claim a spirit actually enters their body and speaks guide through them The key issue is this exactly who or what are these spirit guides Many ideas even bizarre ones have been considered Are they merely the hallucinations of the mentally unstable as doctors say Are they parts of the unconscious mind available to us all as some psychologists say Are they creatures from the future or are they from civilizations deep in space as some scientists say Are they genuine spirit beings such as angels the dead or the gods and nature spirits of various religious traditions as the channelers say Or are they another category of being entirely the demons mentioned in the Bible If one looks for a theory to explain all the facts the demon theory cannot be ignored whether or not it is personally appealing About this booklet
