Rotten Teeth:

Rotten Teeth Laura Simms,2002-08-26 Speaking in front of the class isn't easy for small people like Melissa Herman. Especially when there's nothing very special to say about her house or her family or herself. But with the help of her older brother, Melissa borrows a bottle from her father's dental office to take to show and tell. The teacher is appalled, but the children are intrigued. David Catrow's hilariously zany illustrations reveal that there is nothing ordinary about Melissa Herman or her house or her family. The bright artwork is laugh-aloud funny and will have children begging to hear the story again or maybe invent their very own tale. **100 Most Disgusting Things on the Planet** Anna Claybourne,2019-01-01 Can you face the most disgusting things the world has to offer? He twists up his life, but he eventually overcomes his demons and begins helping others who face similar problems put their lives in order. Despite some bumps along the way, John has lived an amazing life surrounded by adventure, loving relationships, and friends. He did not sit and watch life go by but participated in it every step of the way.
