*The Apocryphon Gospel of James* Rev. Daniel F.

Owsley, 2012-04-21 Verily verily this is the most exciting literature anywhere on the internet about the gospel of Jesus Christ  
Almighty So dare to look at the words of the apostle James as some very recent discoveries have brought forth like a breath  
of new inspiration from two thousand years ago And this full gospel offering is a classic of Christian literature that goes far  
beyond any other known works of our Christian fathers For it shall be very easy to see that this is a classic work that s unlike  
anything else 1 As King Solomon once wrote there s also a time for every purpose under Heaven But as the Dead Sea scrolls  
say there s an additional time to cast away old mind sets and ones to gather some new ideas together Then there s a very  
needed time for people to learn about things that will be of benefit and a real blessed time for them to push forward so they  
can forget about all of the things that were never profitable to them in any way 2 And very fortunately as those age old  
writings long ago predicted our Lord of Lords has given Man a time for enlightenment a time for clarity a time to discover  
new truths and a time for people to turn away from lies For our Giver of Truth has given mankind a time for curiosity and a  
time to satisfy that as well as a time to seek clear understandings amidst some real fuzzy confusion that was first defined  
when the word senile was born 3 Therefore humanity has additionally been given a very blessed time to find the solutions to  
many nagging problems and the well received time when they could finally grasp onto a few elusive answers that have  
always seemed to be floating around in a huge polluted sea of some of our world s most puzzling questions 4 Neither can it  
ever be denied that knowledge brings forth the thankful time of resolve and the time to reject all past misunderstandings just  
as it was written in the Book of Wisdom So as some new insights come forth about God s most abundant glory the time of His  
creation s appreciation shall heighten to the loftiest heights of His most marvellous marvels that could be imagined by those  
who keep their heads held up high in the clouds 5 And as it was said in that wise book of books every lock has a key every  
mystery has solutions every enigma has a simple explanation and every bit of God s word shines forth in such a blinding way  
that the ignorance of darkness has never had a chance to stick around when it rapidly floods in like an out of control storm of  
the wisest instructions 6 Nor can any reader of this Apocryphon gospel of James ever view the life of Christ the same again  
once our Lord brings forth his increased enlightenment which He faithfully promised His elect in the very last chapter of the  
Book of Daniel 7 Then after His promises are embraced like the kind of hope that was always out of reach before the people  
of the Lord may gladly celebrate the time of His millennial reign as it swiftly comes forth upon the holiest winds of God s  
most amazing amazements 8 In the meanwhile though this book brings forth some brilliant new insights into Christ s

character through the words of James discovered at the Dead Sea And the following words of God s inspiration have been sent to Man so His saints can fully understand the authority that He long ago gave unto them Only after God s elect fully understand their places can they easily win their hard fought spiritual fights against some real stormy satanic powers that always love to thunder away silently all throughout the evil power of the air that s up in the heavens Therefore be thou blessed

Progress Report Geological Survey of Western Australia,1926      The Forbidden Knowledge of Good and Evil Daniel F. Owsley,2012-03-01 The Forbidden Knowledge of Good and Evil The Great News is all about the life of Christ during His trial and sufferings up to His death and resurrection as told through His disciple James and a host of other early Christians such as Isrealius Also read the words of Pontius Pilate and other eye witnesses such as the guard Manilus who recounted other dead saints coming back to life just as the Bible does say And many other people who wrote beautiful things about the Lord are also included herein such as James C Hefley who long ago wrote While still a young man the tide of popular opinion turned against Him He was turned over to His enemies He went through the mockery of a trial He was nailed to a Cross between two thieves His executioners gambled for the only piece of property He had on earth while He was dying and that was His coat When He was dead He was taken down and laid in a borrowed grave through the pity of a friend Such was His human life He rises from the dead Nineteen wide centuries have come and gone and today He is the Centerpiece of the human race and the Leader of the column of progress I am within the mark when I say that all the armies that ever marched and all the navies that ever were built and all the parliaments that ever sat and all the kings that ever reigned put together have not affected the life of man upon this earth as powerfully as has that One Solitary Life And to sum up this work it s simply about the death and victory of our Lion of Judea that s told from a prophetic fundamental viewpoint through many authors And as the gospel is unfolded it clearly spells out that there are only two kind of Christians And I m not talking about Catholic or Protestant For so it is that the only two kinds of followers are those who know that they re victorious no matter what and then there s the kind of believer that doesn t know that at all But it s very unfortunate that people in that group sadly settle for the mistaken belief that they ve been defeated somehow For they easily forget that Christ within them stands much taller than the devil who has already been long ago defeated at the cross But it doesn t need to be said that even though those confused true followers might walk daily in defeat they re still pretty big winners in our Lord God s sight due to their faith even though it might be the size of a mustard seed
