Walden,2014 Sounding Authentic considers the intersecting influences of nationalism modernism and technological innovation on representations of ethnic and national identities in twentieth century art music Author Joshua S Walden discusses these forces through the prism of what he terms the rural miniature short violin and piano pieces based on folk song and dance styles This genre mostly inspired by the folk music of Hungary the Jewish diaspora and Spain was featured frequently on recordings and performance programs in the early twentieth century Furthermore Sounding Authentic shows how the music of urban Romany ensembles developed into nineteenth century repertoire of virtuosic works in the style hongrois before ultimately influencing composers of rural

miniatures Walden persuasively demonstrates how rural miniatures represented folk and rural cultures in a manner that was perceived as authentic even while they involved significant modification of the original sources He also links them to the impulse toward realism in developing technologies of photography film and sound recording Sounding Authentic examines the complex ways the rural miniature was used by makers of nationalist agendas who sought folkloric authenticity as a basis for the construction of ethnic and national identities The book also considers the genre's reception in European diaspora communities in America where it evoked and transformed memories of life before immigration and traces how many rural miniatures were assimilated to the styles of American popular song and swing Scholars interested in musicology ethnography the history of violin performance twentieth century European art music the culture of the Jewish Diaspora and more will find Sounding Authentic an essential addition to their library *Small Business Tax Reform* United States. Congress. Senate. Select Committee on Small Business, 1975 Hearings, Reports and Prints of the Senate Committee on Finance United States. Congress. Senate. Committee on Finance, 1976 Romania Tiberiu Oprea, 2003 Romania has a long and tumultuous past with centuries spent under foreign domination Throughout history Romanians have had to fiercely defend their land culture and identity Today Romania is still struggling to emerge from setbacks caused by forty years of communism From the rocky Carpathian mountains to the unique Muddy Volcanoes from the rich traditions of Brasov to the pollution of Copsa Mica and from Vlad Tepes to Nicolae Ceausescu this book examines the history and culture that have combined to make Romania the robust nation it is today Book jacket *Béla Bartók in Italy* Nicolò Palazzetti, 2021 Examines the reputation of the Hungarian musician Béla Bartók 1881 1945 as an antifascist hero This book examines the reputation of the Hungarian composer Béla Bartók 1881 1945 as an antifascist hero and beacon of freedom Following Bartók's reception in Italy from the early twentieth century through Mussolini's fascist regime and into the early Cold War Palazzetti explores the connexions between music politics and diplomacy The wider context of this study also offers glimpses into broader themes such as fascist cultural policies cultural resistance and the ambivalent political usage of modernist music The book argues that the Bartókian Wave occurring in Italy after the Second World War was the result of the fusion of the Bartók myth as the musician of freedom and the Cold War narrative of an Italian national regeneration Italian Hungarian diplomatic cooperation during the interwar period had supported Bartók's success in Italy But in spite of their political alliance the cultural policies by Europe's leading fascist regimes started to diverge over the years many composers proscribed in Nazi Germany were increasingly performed in fascist Italy In the early 1940s the now exiled composer came to represent one of the symbols of the anti-Nazi cultural resistance in Italy and was canonised as the musician of freedom Exile and death had transformed Bartók into a martyr just as the Resistenza and the catastrophe of war had redeemed post-war Italy
