Primary Object Lessons Norman Allison Calkins, 1888 **Monthly Catalog of United States Government**

Publications United States. Superintendent of Documents,1966

Gorbachev: His Life and Times William

Taubman,2017-09-05 Finalist for the National Book Critics Circle Award in Biography Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction The definitive biography of the transformational Russian leader by the Pulitzer Prize winning author of Khrushchev Essential reading for the twenty first century Radhika Jones The New York Times Book Review When Mikhail Gorbachev became the leader of the Soviet Union in 1985 the USSR was one of the world s two superpowers By 1989 his liberal policies of perestroika and glasnost had permanently transformed Soviet Communism and had made enemies of radicals on the right and left By 1990 he more than anyone else had ended the Cold War and in 1991 after barely escaping from a coup attempt he unintentionally presided over the collapse of the Soviet Union he had tried to save In the first comprehensive biography of the final Soviet leader William Taubman shows how a peasant boy became the Soviet system s gravedigger how he clambered to the top of a system designed to keep people like him down how he found common ground with America s arch conservative president Ronald Reagan and how he permitted the USSR and its East European empire to break apart without using force to preserve them Throughout Taubman portrays the many sides of Gorbachev s unique character that by Gorbachev s own admission make him difficult to understand Was he in fact a truly great leader or was he brought low in the end by his own shortcomings as well as by the unyielding forces he faced Drawing on interviews with Gorbachev himself transcripts and documents from the Russian archives and interviews with Kremlin aides and adversaries as well as foreign leaders Taubman s intensely personal portrait extends to Gorbachev s remarkable marriage to a woman he deeply loved and to the family that they raised together Nuanced and poignant yet unsparing and honest this sweeping account has all the amplitude of a great Russian novel

Not-So-Special Relationship Luca Ratti,2017-03-08

Examines how German reunification and the end of the Quadripartite Agreement in 1990 impacted the AngloAmerican special relationshipLuca Ratti offers new insights into the role of the Anglo American aspecial relationship in German reunification and examines the impact that Germanys reunification had on Anglo American and transatlantic relations Germanys unification in October 1990 was one of the most momentous events in modern European history and world politics since the end of World War II German unity ended the Cold War in Europe accelerated the collapse of communist regimes across Eastern Europe and the disintegration of the USSR in 1991 It also triggered NATOs transformation at the London and Rome summits of the Alliance and deepened Europes political and economic integration with the signing of the treaty of Maastricht in 1992 Key FeaturesAnalyses and compares attitudes reactions and developments in the US and BritainConsiders their interface with the views and initiatives of the West German governmentOffers new insight into an issue central to Anglo American and transatlantic relationsIncludes interview with key decision makers involved in the negotiations in 198990 such as John Major James Baker III Helmut Khol and Hans Dietrich Genscher

Monthly Catalog,
United States Public Documents United States. Superintendent of Documents,1968 February issue includes Appendix

entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index Institutions and Institutional Change in the Federal Republic of Germany L. Helms, 2000-04-18 This volume offers a detailed account of German political institutions as they have developed over the last decades Each of the individual chapters written by leading German specialists provides a balanced assessment of the institution under consideration as well as the more recent political research in the given field The extended introductory chapter by the editor gives an overview of how the institutional system of the Federal Republic has combined the conflicting tasks of political stability and adaptation German Unification 1989-90 Patrick Salmon, Keith Hamilton, Stephen Robert Twigge, 2009-09-11 This volume is comprised of a collection of diplomatic documents covering British reactions to and policy towards the collapse of the German Democratic Republic and the unification of Germany in 1989 90 The peaceful unification of Germany in 1989 90 brought a dramatic end to the Cold War This volume documents official British reactions to the collapse of East Germany and the fall of the Berlin Wall and the evolution of British policy during the Two plus Four negotiations that provided the international framework for the merger of the two German states All of the documents fall within the UK's 30 year rule and have therefore not previously been in the public domain Most are drawn from the archives of the Foreign and Commonwealth Office but there are also a large number of Prime Ministerial files from the Cabinet Office archives These are of particular interest for the light they throw on the views of Margaret Thatcher Taken together the documents show that despite Mrs Thatcher's well known reservations about German unity the United Kingdom played a vital and constructive role in the negotiations that helped to bring it about This volume will be of great interest to students of International History British Political History and European Politics and International Relations in general Patrick Salmon is Chief Historian at the Foreign and Commonwealth Office Keith Hamilton is a Historian at the Foreign and Commonwealth Office and Senior Editor of Documents on British Policy Overseas Stephen Twigge is a Senior Historian at the Foreign and Commonwealth Office The Evolution of the Common Security and Defence Policy Marilena Koppa, 2022-05-26 This book examines the evolution of the EU's Common Security and Defence Policy CSDP from its inception in 1998 to the present day Using the theoretical framework of historical institutionalism it examines both the successes and failures of the CSDP Drawing on a series of interviews with officials and researchers from various EU institutions NATO and diplomatic missions of EU member states it assesses what has instigated changes in the CSDP and why some events have proven more determining and influential than others The book reviews six crises that have shaped the CSDP including the Yugoslav Wars the Second Gulf War the Libyan campaign the Ukrainian crisis the Syrian crisis and Brexit in order to understand how real life events have influenced policy In this context the book defines the term European Strategic Autonomy dynamically as the residual effect of negotiation over time It will appeal to government officials and policymakers as well as students and scholars of European politics and international relations *American Diplomacy and*

the End of the Cold War Robert L. Hutchings, 1997 Hutchings adds a scholar's balanced judgment and historical perspective to his insider's view from the White House as he reconstructs how things looked to policymakers in the United States and in Europe describes how and why decisions were made and critically examines those decisions in the light of what can now be known

Enduring Alliance Timothy Andrews Sayle, 2019-04-15 Sayle's book is a remarkably well documented history of the NATO alliance This is a worthwhile addition to the growing literature on NATO and a foundation for understanding its current challenges and prospects

Choice Born from necessity the North Atlantic Treaty Organization NATO has always seemed on the verge of collapse Even now some seventy years after its inception some consider its foundation uncertain and its structure weak At this moment of incipient strategic crisis Timothy A Sayle offers a sweeping history of the most critical alliance in the post World War II era In *Enduring Alliance* Sayle recounts how the western European powers along with the United States and Canada developed a treaty to prevent encroachments by the Soviet Union and to serve as a first defense in any future military conflict As the growing and unruly hodgepodge of countries councils commands and committees inflated NATO during the Cold War Sayle shows that the work of executive leaders high level diplomats and institutional functionaries within NATO kept the alliance alive and strong in the face of changing administrations various crises and the flux of geopolitical maneuverings Resilience and flexibility have been the true hallmarks of NATO As *Enduring Alliance* deftly shows the history of NATO is organized around the balance of power preponderant military forces and plans for nuclear war But it is also the history riven by generational change the introduction of new approaches to conceiving international affairs and the difficulty of diplomacy for democracies As NATO celebrates its seventieth anniversary the alliance once again faces challenges to its very existence even as it maintains its place firmly at the center of western hemisphere and global affairs

Gorbachev's Gamble Andrei Grachev, 2018-03-12 Gorbachev's Gamble offers a new and more convincing answer to this question by providing the missing link between the internal and external aspects of Gorbachev's perestroika Andrei Grachev shows that the radical transformation of Soviet foreign policy during the Gorbachev years was an integral part of an ambitious project of internal democratic reform and of the historic opening of Soviet society to the outside world Grachev explains the motives and the intentions of the initiators of this project and describes their hopes and their illusions He recounts the story of the internal debates and struggles in the Kremlin and behind the scene decisions that led to the Soviet withdrawal from Afghanistan the fall of the Berlin Wall the break up of the Warsaw Pact and eventually the demise of the Soviet Union itself The book is based on exclusive interviews with the leaders of the Soviet Union including Gorbachev personal notes and diaries of their assistants and advisers and transcripts of the discussions inside the Politburo and Secretariat of the Central Committee Together they constitute a multi voice political confession of a whole generation of decision makers of the Soviet Union that enables us better to understand the origin and the breathtaking trajectory of the events that led to the end of the Cold War and the unprecedented transformation of world politics in the closing decades of

the 20th century **Research Handbook on Law and Diplomacy** Margaret E. McGuinness, David P. Stewart, 2022-12-08 This timely Research Handbook examines the dynamic and interdependent relationship between law and diplomacy in the contemporary international system Through accounts of the actual practice of international law and diplomacy it provides insights into how international law and relations operate and examines the complex relationship **Historical Dictionary of Contemporary Germany** Derek Lewis, Ulrike Zitzlsperger, 2016-10-18 This second edition of Historical Dictionary of Contemporary Germany provides a comprehensive overview of most aspects of life and institutions in contemporary Germany It also introduces the reader to the historical development of both East and West Germany between 1949 and 1990 and addresses the various issues arising from reunification This second edition of Historical Dictionary of Contemporary Germany contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Germany Facilitating Transatlantic Cooperation After the Cold War Peter Barschdorff, 2001 Why are Europe and America still allied After all many observers predicted after the Cold War that NATO might collapse trade disputes could escalate and political relations would suffer in the absence of a common threat like the one formerly posed by the former Soviet Union This book argues that an *acquis atlantique* is holding the two sides together Common experiences legal stock and understandings make decision makers converge their views on controversial issues such as peace making in the Balkans NATO reform and trade of agricultural goods The *acquis* might change over time But as an analytic concept and as a driver of transatlantic politics it will remain an important constant Domestic Politics and Norm Diffusion in International Relations Thomas Risse, 2016-10-14 This book collects Thomas Risse's most important articles together in a single volume Covering a wide range of issues the end of the Cold War transatlantic relations the democratic peace human rights governance in areas of limited statehood Europeanization European identity and public spheres most recently comparative regionalism it is testament to the breadth and excellence of this highly respected International Relations scholar's work The collection is organized thematically domestic politics and international relations international sources of domestic change and the diffusion of ideas and institutions and a brand new introductory essay provides additional coherence This text will be of key interest to scholars and students of International Relations European Politics and Comparative Politics The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license **The Rise of European Security Cooperation** Seth G. Jones, 2007-02 A systematic and comprehensive analysis of the significant increase in security cooperation among European states Consolidated Translation Survey, 1968-05
