Roundup A Nebraska Reader:

Roundup Virginia Faulkner, 1957 Roundup Virginia Faulkner, **The Complete Roadside Guide to Nebraska** Alan Boye, 2007-04-01 The second edition of *The Complete Roadside Guide to Nebraska* represents a major enlargement and revision of the first edition making this the most comprehensive guide to the state ever written The book covers over twelve thousand miles in all ninety three counties of the state where the West begins Here readers can become acquainted with numerous folklore tales and discover the locations of thousands of historical sites burials pioneer roads museums and other wonders of the Cornhusker State **Reading the West** Michael Kowalewski, 1996-02-23 The American West of myth and legend has always exerted a strong hold on the popular imagination and the essays in *Reading the West* examine some of the basis of that fascination *Reading the West* first published in 1996 is a collection of critical essays by writers independent scholars and critics on the literature of the American West in the last two centuries It showcases new ways of reading and understanding western writing Arguing for the importance of place in literature these essays explore what makes representative literary works western They also explore the multicultural and ecological dimensions of western writing This volume helps enrich our understanding of a distinguished body of literary work which has sometimes been unjustly ignored It deals not only with literature but with the changing conception of the West in the American imagination *American Endurance* Richard A. Serrano, 2016-10-04 Pulitzer Prize winning journalist and author Richard A Serrano s new book *American Endurance* The Great Cowboy Race and the Vanishing Wild West is history mystery and Western all rolled into one In June 1893 nine cowboys raced across a thousand miles of American prairie to the Chicago World s Fair For two weeks they thundered past angry sheriffs governors and Humane Society inspectors intent on halting their race Waiting for them at the finish line was Buffalo Bill Cody who had set up his Wild West Show right next to the World s Fair that had refused to allow his exhibition at the fair The Great Cowboy Race occurred at a pivotal moment in our nation s history many believed the frontier was settled and the West was no more The Chicago World s Fair represented the triumph of modernity and the end of the cowboy age Except no one told the cowboys Racing toward Buffalo Bill Cody and the gold plated Colt revolver he promised to the first to reach his arena nine men went on a Wild West stampede from tiny Chadron Nebraska to bustling Chicago But at the first thud of hooves pounding on Chicago s brick pavement the race devolved into chaos Some of the cowboys shipped their horses part of the way by rail or hired private buggies One had the unfair advantage of having helped plan the route map in the first place It took three days numerous allegations and a good old Western showdown to sort out who was first to Chicago and who won the Great Cowboy Race The Age of Discontent Ralph Brauer, 2025-04-01 This revisionist view of late nineteenth century history credits Main Street not Wall Street with laying the foundations of modern America In American history the prevailing narratives of the tumultuous late nineteenth century focus on wealthy individuals and tycoons while downplaying the very high social and economic stresses they caused *The Age of Discontent* reveals that it

was not the tycoons but rather the laborers and farmers who in a great uprising of popular democracy reinvented the nation for the emerging industrial world never imagined by the Founders Facing conditions far worse than previously documented they overcame the frayed social safety net and violent opposition to pull off what the labor leader John Mitchell has described as the Second Emancipation which addressed a dangerously tilted playing field with government programs and legislation Based on meticulous primary source research and integrating music photographs artworks and statistical data this sweeping history places grassroots activists and reformers many recognized for the first time at center stage in a fascinating success story of perseverance and commitment

The Last Prairie Stephen R. Jones,2006-01-01 The co author of The Shortgrass Prairie paints a startlingly vivid portrait of the Nebraska Sandhills as he delivers riveting accounts of the flora fauna wildlife and rich cultural history of the region

Interstices of Space and Memory Sreedevi Santhosh,Samjaila TH,Sneha Suresh,Preethi S.,2025-03-07 The conference intersectionally locates memory and space that reconstruct city chronotopes to explore how identities are reconfigured in metropolitan Indian cities In taking recourse in locating turning points that could be historical political or cultural in the life of Metropolitan Indian Cities the perspective that is brought together with personal and collective stories that are recorded in Art Literature Curated Projects Museums is that these moments reshape human values ethos in Cities The assumption made is that at specific moments in time turning points with the pandemic for instance the spirit of the city changes It highlights how human beings in cities account for such changes the IIHS runs a postcard project on human lives during the plague and corona being an example It uses focal moments in the City as the lens to discuss Art Literature and City Design

A Dirty, Wicked Town David L. Bristow,2000-04 Distributed by the University of Nebraska Press for Caxton Press It requires but little if any stretch of the imagination to regard Omaha as a cesspool of iniquity for it is given up to lawlessness and is overrun with a horde of fugitives from justice and dangerous men of all kinds who carry things with a high hand and a loose rein If you want to find a rogue s rookery go to Omaha A Kansas City newspaper

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley,2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature

Let the Cowboy Ride Paul F.

Starrs,2000-03-17 The dime novel and dude ranch the barbecue and rodeo the suburban ranch house and the urban cowboy all are a direct legacy of nineteenth century cowboy life that still enlivens American popular culture Yet at the same time reports of environmental destruction or economic inefficiency have motivated calls for restricted livestock grazing on public lands or even for an end to ranching altogether In Let the Cowboy Ride Starrs offers a detailed and comprehensive look at one of America s most enduring institutions Richly illustrated with more than 130 photographs and maps the book combines the authentic detail of an insider s view Starrs spent six years working cattle on the high desert Great Basin range with a scholar s keen eye for objective analysis Round Up a Nebraska Reader Virginia Faulkner,2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Louise Pound** Marie Krohn,2008 Eager to challenge social norms during the Victorian age Louise Pound was an iconoclast responsible for challenging America s views on women academics and sports Discarding the traditional corset to accommodate her sports activities her athletic prowess resulted in her being a world class athlete in both tennis and golf She became a local legend after winning several matches against her male contemporaries She is now recognized for having laid the social groundwork for female athletes like Babe Didrikson Zaharias Unable to get accepted into an American post graduate program she battled institutional sexism and obtained her Ph D in Germany in less than a year She soon became a world renowned philologist American folklorist and educator and she was the first academician to advocate the recognition of American English as a distinct language from that spoken in Great Britain Although she is often known for little more than being the love interest of lesbian author Willa Cather the author debunks such claims giving sound evidence that the attraction was not reciprocated **The Nebraskaland Magazine Book of Collector Prints** ,1980 Old Jules Country Mari Sandoz,1982-01-01 By zealous research keen observation and wide ranging and deeply probing commentary Mari Sandoz has become one of the most famous and well respected interpreters of the American West Old Jules Country is made up of the region that Sandoz has written about most frequently the High Plains of the Dakotas Montana Nebraska and Wyoming the Black Hills the Bad Lands the sandhills and the great rivers the Missouri the Platte and the Yellowstone Here are selections from the six volumes of her acclaimed Great

Plains Series The Beaver Men Crazy Horse Cheyenne Autumn The Buffalo Hunters The Cattlemen and Old Jules and from her study of a great people These Were the Sioux Also included are two essays The Lost Sitting Bull and The Homestead in Perspective A Cheyenne prayer and two sketches unavailable elsewhere Snakes and Coyotes and Eagles complete the collection This anthology provides a stimulating sampling for readers not yet acquainted with Sandoz s work For her extensive following it offers the opportunity for a satisfying reappraisal of her overall achievement The Encyclopedia Americana ,1980 **Six-Guns and Saddle Leather** Ramon Frederick Adams,1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Copyright Office,1968
