William G. Stevenson

Routesroadsregiments Rebel:

Routes, Roads, Regiments and Rebellions Colin McCall, 2003 This is a contribution to the definition of the history of Scotland It reflects the difficulties faced by those who wanted to access the troublesome Highlands following the Disarming Act of 1725 and how those difficulties were curtailed by the construction of a network of military roads between 1725 and 1736 It provides a comprehensive review of the life and work of the principal architect of that network General George Wade It examines the contribution to the road building programme of Wade s friend and ally William Caulfield and explores the development of the roads from Wade s death until their decline through the advent of more modern means of road construction In general the book traces Wade s life as a soldier MP road builder and philanthropist It covers instances where Wade had to deal with certain effects of the Jacobite rebellions of 1715 and 1745 and it traces connections between Wade s life and that of other famous contemporaries such as Samuel Johnson James Wolfe Jack Porteous and the sculptor Louis Francois Roubiliac These interesting facts are supplemented by an attractive set of sketches Taken together the text and illustrations serve to provide a liv
