Tarbert, 2000 The British National Bibliography Arthur James Wells, 1999 **Television Introductions** Vincent Terrace, 2013-11-07 Since the beginning of network television many shows have been preceded by an announcement or theme song that served various purposes In the 1950s and 60s it was common for announcers to declare that a program had been brought to you by a sponsor who paid for the privilege of

introducing a show Other programs such as *The Twilight Zone*, *Star Trek* and *The Odd Couple* provided a brief encapsulation of the show's subject matter a practice that has continued for recent shows like *Alias*, *Battlestar Galactica*, *Person of Interest* and the various editions of *Law Order*. In *Television Introductions*, Narrated TV Program Openings since 1949 Vincent Terrace has assembled openings for more than nine hundred television shows from the past seven decades. The only documented history of narrated television program introductions this volume is arranged by type of programming such as comedy drama Western game show soap opera and children's show. In addition to quoting the opening material entries provide information about each show's network history and years of broadcast. Many entries include descriptions of the show the names of announcers and a list of main cast members as well as a sponsor pitch exactly as spoken. Openings for programs with multiple introductions like *The Adventures of Ozzie and Harriet* and *Charlie's Angels* are also included. For programs that featured new guest stars every episode such as game shows and variety programs Terrace has selected a representative introduction. In addition to the theme song credits found in the main text there are also appendixes of theme songs and their composers and/or singers as well as a listing of commercial releases on DVD VHS CD and LP of shows and their soundtracks. A comprehensive resource for researchers and pop culture aficionados alike *Television Introductions* provides a fascinating look at this neglected part of TV history.

COOP Neil Drysdale, 2013-09-05 Davie Cooper was without doubt one of Scotland's greatest ever footballers a man who excited and entertained crowds across the globe whether with Rangers or Scotland or later in his career as part of Motherwell's 1991 Scottish Cup winning side. He relished the big stage and although he unquestionably had the ability to play at any level he always preferred to stay true to his roots as a local hero in the West of Scotland. Tragically his life was cut short in 1995 when this larger than life character who had enjoyed an incredible career died suddenly from a brain haemorrhage at the age of just thirty nine. Now in *Coop* author Neil Drysdale examines the life of this sporting idol and includes exclusive interviews with some of the biggest names in football including Sir Alex Ferguson Gordon Smith Craig Brown Tom Boyd Bobby Russell and Andy Roxburgh. But it also gives the fans who applauded his talents at Rangers Motherwell and Clydebank the chance to pay homage to his myriad gifts and to remember his astonishing talents. Engrossing insightful and entertaining *Coop* is the story of a true star and a heartfelt portrait of a man who was taken from us far too soon.

The British Television Pilot Episodes Research Guide 1936-2015 Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives. So from the earliest days of television the concept of a pilot episode seemed like a good idea. Trying out new actors new situations and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised. Chris

Perry has always been fascinated by the pilot episode So many pilots are made annually but never seen by audiences Only a handful appear on screen It s a hidden world of comedy variety drama and factual programming This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades
