The Choreography of Antony Tudor Rachel S. Chamberlain Duerden, 2003 The Choreography of Antony Tudor Focus on Four Ballets presents both an analytical overview of the ballets created for the stage by Antony Tudor and an in depth critical analysis of four key works *Jardin aux Lilas* 1936 *Dark Elegies* 1937 *Pillar of Fire* 1942 and *The Leaves Are Fading* 1975 Tudor was a British choreographer who spent a large part of his working life in the United States and although he was not prolific in his output his works include several masterpieces of twentieth century ballet repertoire Characteristic of his work is an exceptionally creative and sensitive relationship of choreography with music a relationship different from that developed by his equally musical contemporary George Balanchine in that it privileges subtle layers of dramatic often psychological exposition as well as complex mythmical structures Tudor's ballets invariably involve a psychological human dimension even when there is no story as such and it is these two strands the musical and the dramatic that the choreographer exploits with consummate skill in the best of his work

**Christensen Brothers** Debra Hickenlooper Sowell, 2014-04-08 With members of four generations deeply involved in music and dancing the Christensen Brothers are indisputably the United States closest equivalent to the European tradition of dance dynasties Their story sheds light on the history of ballet in twentieth century America both through their accomplishments as dancers teachers and company directors and through their association with some of the most significant figures of the dance world such as Lincoln Kirstein George Balanchine Sol Hurok and the Ford Foundation's W McNeil Lowry This triple biography encompasses the brothers Mormon pioneer heritage the circumstances that led them to enter vaudeville with a ballet act and the rise and fall especially in the American West of companies with which they were associated for over six decades of their lives This book provides an alternative to the New York oriented volumes that so often pass as histories of American dance Debra Hickenlooper Sowell received the De la Torre Bueno Special Ci

The Music of Lord Berners (1883-1950) Bryony Jones, 2019-06-04 This title was first published in 2003 Gerald Tyrwhitt Wilson the 14th Baron Berners was a well known figure in his day Labelled by the national press as the versatile peer he was a composer writer painter and great socialite His musical output was small but highly successful in its day with ballets staged in London Monte Carlo and New York an opera produced in Paris and two film

scores completed in the 1940s These works together with Berners songs his music for piano and other instrumental pieces are given their first in depth examination in this study Bryony Jones shows how Berners cosmopolitan musical style radically differed from that of many of his contemporaries who were concerned with creating a national music Instead Berners drew his inspiration from abroad and comparisons are drawn with Les Six and connections made with the work of Satie Debussy and Ravel Well known for his elaborate practical jokes and sense of humour Berners was an archetype of British eccentricity and these aspects of his personality shaped much of his musical style The book concludes with an attempt to explain why Berners music was neglected following his death and why there has been a recent resurgence of interest Diaghilev's Empire Rupert Christiansen, 2022-10-18 A Best Book of the Year at The New Yorker and The Telegraph Amusing and assertive Christiansen's delight is infectious Alexandra Jacobs The New York Times Book Review Rupert Christiansen a renowned dance critic and arts correspondent presents a sweeping history of the Ballets Russes and of Serge Diaghilev's dream of bringing Russian art and culture to the West Serge Diaghilev the Russian impresario and founder of the Ballets Russes is often said to have invented modern ballet An art critic and connoisseur Diaghilev had no training in dance or choreography but he had a dream of bringing Russian art music design and expression to the West and a mission to drive a cultural and artistic revolution Bringing together such legendary talents as Vaslav Nijinsky Anna Pavlova Igor Stravinsky Pablo Picasso and Henri Matisse this complex and visionary genius created a new form of ballet defined by artistic integrity creative freedom and an all encompassing experience of art movement and music The explosive color combinations sensual and androgynous choreography and experimental sounds of the Ballets Russes were called barbaric by the Parisian press but its radical style usurped the entrenched mores of traditional ballet and transformed the European cultural sphere at large Diaghilev's Empire the publication of which marks the one hundred fiftieth anniversary of Diaghilev's birth is a daring impeccably researched reassessment of the phenomenon of the Ballets Russes and the Russian Revolution in twentieth century art and culture Rupert Christiansen a leading dance critic explores the fiery conflicts outsize personalities and extraordinary artistic innovations that make up this enduring story of triumph and disaster **The Oxford Dictionary of Dance** Debra Craine, Judith Mackrell, 2010-08-19 This comprehensive and up to date dictionary provides all the information necessary for dance fans to navigate the diverse dance scene of the 21st century It includes entries ranging from classical ballet to the cutting edge of modern dance **Constant Lambert** Stephen Lloyd, 2014 To the economist and ballet enthusiast John Maynard Keynes he was potentially the most brilliant man he'd ever met to Dame Ninette de Valois he was the greatest ballet conductor and advisor this country has ever had to the composer Denis ApIvor he was the greatest most lovable and most entertaining personality of the musical world whilst to the dance critic Clement Crisp he was quite simply a musician of genius Yet sixty years after his death Constant Lambert is little known today As a composer he is remembered for his jazz inspired The Rio Grande but little more and for a man who devoted the greater part of his life to the establishment of

English ballet his work is largely unrecognized today This book looks not only at his music but at his journalism his talks for the BBC his championing of jazz in particular Duke Ellington and more privately his longstanding affair with Margot Fonteyn
