People That changed the Course of History: The Story of Queen Victoria 200 Years After Her Birth Danielle Thorne, 2018 Almost 200 years ago the cries of a newborn baby echoed through the halls of London s Kensington Palace No one who celebrated Princess Victoria s birth in the late spring of 1819 could have imagined that the little girl born fifth in line to the English throne would be the ruling monarch of the United Kingdom in just a few short years The 19th century was a time of great change For Princess Alexandrina Victoria misfortune would strike early with the loss of her father a lonely childhood and a mother determined to control her As teen queen Queen Victoria ruled with stubbornness strength and humility that nourished the advancement of the Industrial Revolution soothed the tempers of European warmongers and changed life in England in diverse and sometimes controversial ways Through her published journals and letters this beloved figure has come to be known as more than just an aristocratic young woman with a crown but a queen for the ages Victoria ruled on her own terms for an astounding 63 years She survived illness political plots the birth of nine children assassination attempts and a personal heartbreak that would transform her from a royal ruling mother into a mourning widow Through it all she maintained an iron determination to finish her course Under her reign the United Kingdom reached its historic peak of world power and dominion influencing change and life around the globe A small woman with glowing round eyes and a

ready wit Queen Victoria is remembered today as the charming giantess who ruled while the sun never set on the British Empire **Transactions of the Royal Society of Literature of the United Kingdom** Royal Society of Literature (Great Britain),1901 **Royal Blue Book** ,1910 *Cleaning and Re-Indoctrinating Nigeria to the Root* Charles Nwosu,2012

Cleaning and Re Indoctrinating Nigeria to the Root is a mirror of the nation where all Nigerians can see their images It imagines Nigeria as a large portion of farmland owned by a group of families frustrated by their incapacity to plant and harvest abundantly from their travails for so many years Most seeds crops die before they are harvested and few that survive are carted away by wild animals and pests Eventually some farmland owners their dependents and those who are trained to manage farms but are kept outside the project are beginning to come together to imagine options available for them as follows a coming together of all trained members of the family where they adopt a motion of change of attitude behavioral pattern and sealed oath of sincerity on all future proceedings b selection of all future seed crops to be planted in the farmland c screening out of all bad leaders and workers in the farm d disinfecting the barren land from pesticides screening out gravels and concrete sands and then irrigating and fertilizing the land e securing the farmland from wild animals by erecting a fence and employing new security guards f taking decisions on how crops will be harvested and what to do with the gains in areas of priorities including distribution among the whole group of families *The Royal Homes of England.
