 Funsch,2015-12-29 The Sultanate of Oman is one of the few good news stories to have emerged from the Middle East in
 recent memory This book traces the narrative of a little known and relatively stable Arab country whose history of
 independence legacy of interaction with diverse cultures and enlightened modern leadership have transformed it in less than
 fifty years from an isolated medieval style potentate to a stable dynamic and largely optimistic country At the heart of this
 fascinating story is Oman s sultan Qaboos bin Sa id friend to both East and West whose unique leadership style has resulted
 in both domestic and foreign policy achievements during more than four decades in office Exploring Oman from a historical
 perspective Funsch examines how the country s unique blend of tradition and modernization has enabled it to succeed while
 others in the region have failed Accounts of the author s own experiences with Oman s transformation add rich layers of
