Royal Correspondence In The Hellenistic Period:

Royal Correspondence in the Hellenistic Period Charles Bradford Welles, 1974 Unchanged reprint of the edition London 1934 **Royal Correspondence in the Hellenistic Period** Charles Bradford Welles, 1934 **Royal Correspondence in the Hellenistic Period; A Study in Greek Epigraphy, by C. Bradford Welles** Charles Bradford Welles, 1934 Paul and the Ancient Letter Form Stanley E. Porter, Sean A. Adams, 2010 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul's relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul's letters to better understand Paul's use and adaptations of these traditions in order to meet his communicative needs Ancient Letters and the New Testament Hans-Josef Klauck, Daniel P. Bailey, 2006 This volume places the New Testament letters squarely in the middle of all the important letter corpora of antiquity Chapters cover the basic letter formula papyrus and postal delivery non literary and diplomatic correspondence Greek and Latin literary letters epistolary theory letters in early Judaism and all the letters of the New Testament Part I of each chapter surveys each corpus followed by detailed exegetical examples in Part II Comprehensive bibliographies and 54 exercises with answers suit this guide to student and scholar alike Publisher's website **Ancient Greece and Rome** Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally *Ancient Jewish Letters and the Beginnings of Christian Epistolography* Lutz Doering, 2012 The author provides the most extensive analysis available of ancient Jewish letter writing from the Persian period until the early rabbinic literature In addition he demonstrates the significance of Jewish letters for the development of early Christian letter writing New Testament Theology in Light of the Church's Mission Jon C. Laansma, Grant Osborne, Ray Van Neste, 2011-11-09 This book offers important new case studies in understanding the theology and praxis of mission in the New Testament and in reading the New Testament for mission Significant scholars from around the world explore aspects of the missional theology

of the Gospels Acts Paul Hebrews and Revelation The essays are offered as a fitting tribute to I Howard Marshall one of the most outstanding evangelical New Testament scholars of his generation
