 history of America s favorite pastime is finally recovered and retold in brilliant and play by play detail in Pete Gallo s book
 Fast Pitch Fifties Readers are warmly invited to revisit New Rochelle during the 1950s and discover the Twilight League and
 windmill baseball at its height as some 20 teams battled for championship titles and local bragging rights Fast Pitch recalls a
 period when local sports was king and a championship series in towns like New Rochelle would draw crowds that were
 measured in the tens of thousands Based on interviews and historical accounts the author brings to life local legends of
 windmill at its height such as pitcher Rush Riley who threw a softball at major league speeds and was known for his
 Olympian endurance playing up to ten games per week While many of the names are less familiar windmill stars who
 managed national acclaim are also recalled such as Hicksville Long Island native Roy Stevenson an early pioneer of windmill
 pitch who helped inspire a generation of players in the New York metropolitan area Aimed at sports fans the book is also the
 story of an era one full of memorable characters like Popeye Claps an affable stationery store owner and baseball coach who
 managed to get Roy Rogers and his troupe to visit New Rochelle for an ad hoc block party for local kids Then there was
 Bruce Flowers a professional boxer who helped lead New Rochelle s most winning windmill team for the decade the New
 Rochelle Royals You will read about Bill Marino a veteran who lost his arm in World War II but remarkably managed to
 recapture personal glory by becoming one of the league s most feared pitchers The author also finds that windmill s most
 prominent feature lead to its decline in community sports It was a game where sheer pitching strength ruled the day making
 balancing league play difficult which helped give rise to its successor modern slow pitch softball Though fast pitch persists in
 popularity particularly among women s college leagues Gallo brings us back to an era when communities across America
 were first discovering the game The book recalls how the social fabric of the 1950s with its unbridled post war optimism and

corresponding economic boom provided for a golden era in community sports from stickball play to fast pitch Gallo reminds us of how this amateur recreational league evolved to resemble a full fledged minor B ball league housed in a single city the Queen City of the Sound Her Royal Twins Jadevizz,2021-05-12 Evangeline is an independent and free spirited girl she was happy with the way her life was going she didn t want a mate But fate had other plans for her It blessed her with not a single mate but with two Mates how does she is going to react to the change of events in her life Is she going to accept her destiny of two mates or going to resist the mate bond what happens when fate decided to play her part on Evangeline s destiny with a lots and lots of twists Will Evangeline be able to overcome all the obstacles thrown on her life and embrace her destiny Stay tuned To know further *Elizabethan Rogues and Vagabonds* Frank Aydelotte,1913 Bulletin ,1997
