Royalty Feudalism And Gender:

Royalty, Feudalism, and Gender Hem Bala Bhargava, 2000 Describing the social and economic conditions of Rajasthan as depicted by the European travellers during the British rule

Sovereignty and Social Reform in India Andrea Major, 2010-11-05 This book offers an important reinterpretation of major themes of sovereignty authority and social reform in colonial South Asian history Focusing on the British prohibition of sati in 1829 the author shows how the debates that preceded this legislation have effectively set the terms of post colonial debates about sati as well as more generally defining the parameters of British involvement in Indian social and religious issues

Monarchy vs Republic Sebastian Farnham, 2025-02-25 Monarchy vs Republic France 1789 1799 explores the clash between absolute monarchy and republican ideals during the French Revolution It dissects the philosophical underpinnings of each system contrasting the Divine Right of Kings with Enlightenment concepts like popular sovereignty and the social contract The book highlights the shift from a rigid social hierarchy to a society theoretically based on equality This pivotal decade witnessed France's unprecedented experiment in self governance forever altering European political thought The book examines the revolution's key events from the storming of the Bastille to the Reign of Terror alongside the rise and fall of various republican experiments It analyzes primary sources like pamphlets and speeches along with visual culture to reveal shifting public opinion The narrative progresses chronologically starting with pre revolutionary discontent and concluding with Napoleon Bonaparte's ascent The book argues that despite its turmoil the revolution marked a fundamental shift towards modern democratic ideals By exploring the nuances and contradictions of this era Monarchy vs Republic provides a fresh perspective on the revolution moving beyond simplistic narratives to analyze the complex interplay of ideologies and power structures It offers valuable insights into the enduring tension between established authority and popular will making it relevant for students scholars and anyone interested in world history and political science

The Politics of Marriage in India Sabita Singh, 2019-05-27 The history of marriage is viewed as social history related to customs and laws but it is also a reflection of an inner life one that comprises tales of joy suffering and the mundane most of it hidden from the historian's eye Analysing the institution of marriage in medieval Rajasthan Singh reconstructs the regional social structures and cultures of the time The history of Rajasthan has always been romanticized especially the legends of Sati and Jauhar both of which along with the rituals related to widowhood are seen as institutional forms of women's oppression Singh offers a fresh perspective on these customs often challenging the conventional narrative and unearthing the complex motives behind them Referring to extensive archival and literary sources the author delves deep into practices such as polygamy dowry and concubinage which are situated in the changing socio political structures As the author takes cognizance of the regional variations with respect to cultural norms what becomes unequivocally clear is the multicultural ethos of India and the fact that history cannot be interpreted in monolithic universal terms

Women and Gender in Medieval Europe Margaret Schaus, 2006 Publisher

description **Considering Medieval Women and Gender** Susan Mosher Stuard, 2024-10-28 Professor Stuard collects here a set of her articles on women and gender in the Middle Ages beginning with her first published in 1975 The first section on marriage opens with an exploration of the Ragusa Dubrovnik archives reaches out to consider patterns of gift giving at marriage and of consumption The second section focuses on slavery specifically women destined for domestic service The final parts contain historiographical surveys of the field of women and gender studies and three biographical studies **Family and Gender in Renaissance Italy, 1300-1600** Thomas Kuehn, 2017-03-24 This book studies family life and gender broadly within Italy not just one region or city from the fourteenth through the seventeenth centuries Paternal control of the household was paramount in Italian life at this time with control of property and even marital choices and career paths laid out for children and carried out from beyond the grave by means of written testaments However the reality was always more complex than a simple reading of local laws and legal doctrines would seem to permit especially when there were no sons to step forward as heirs Family disputes provided an opening for legal ambiguities to redirect property and endow women with property and means of control This book uses the decisions of lawyers and judges to examine family dynamics through the lens of law and legal disputes A Companion to Britain in the Later Middle Ages S. H. Rigby, 2008-04-15 This authoritative survey of Britain in the later Middle Ages comprises 28 chapters written by leading figures in the field Covers social economic political religious and cultural history in England Ireland Scotland and Wales Provides a guide to the historical debates over the later Middle Ages Addresses questions at the leading edge of historical scholarship Each chapter includes suggestions for further reading **Royal Women and Dynastic Loyalty** Caroline Dunn, Elizabeth Carney, 2018-05-21 Royal women did much more to wield power besides marrying the king and producing the heir Subverting the dichotomies of public private and formal informal that gender public authority as male and informal authority as female this book examines royal women as agents of influence With an expansive chronological and geographic scope from ancient to early modern and covering Egypt Great Britain the Ottoman Empire and Asia Minor these essays trace patterns of influence often disguised by narrower studies of government studies and officials Contributors highlight the theme of dynastic loyalty by focusing on the roles and actions of individual royal women examining patterns within dynasties and considering what factors generated loyalty and disloyalty to a dynasty or individual ruler Contributors show that whether serving as the font of dynastic authority or playing informal roles of child bearer patron or religious promoter royal women have been central to the issue of dynastic loyalty throughout the ancient medieval and modern eras Gender, Sexuality and Violence in Organizations Jeff Hearn, Wendy Parkin, 2001-07-05 This exceptionally interesting study provides an up to date and integrated perspective on organizations violence gender and sexuality It pays particular attention to the power wielded by hierarchies of heterosexual men and the ways in which this produces violence in different carefully analyzed forms This book is a major contribution to the construction of sociological and political knowledge that is not founded on the

dominant definitions of heterosexual masculinities Professor Terrell Carver University of Bristol This is a wide ranging and authoritative book The authors draw attention to the huge amount of evidence now available that documents the gendering and sexualising processes at the core of organisational life While they never nag about violation and inequality they are nonetheless relentless in confronting the reader with the weight of evidence Professor Rosemary Pringle University of Southampton This book brings together the themes of gender sexuality violence and organizations The authors synthesize the literature and research which has been done in these fields and provide a coherent framework for understanding the interrelationship between these concepts The importance of violence and abuse and particularly men s violence to women children and other men has been well established especially through feminist and some pro feminist research The insights of this scholarship have rarely been applied to organizational analysis The authors draw on this literature and their own research as well as relevant literatures on safety and risk at work anxiety and stress at work organizational policies on violence sexual harassment and bullying in organizations and male sexuality to provide valuable information on violence in and around organizations Gender Sexuality and Violence in Organizations breaks new ground in organization studies and will be essential reading for academics and students in both organization studies and all those studying issues of gender and sexuality in organizations

Women, Gender and Enlightenment B. Taylor, S. Knott, 2005-05-27 Did women have an Enlightenment This path breaking volume of interdisciplinary essays by forty leading scholars provides a detailed picture of the controversial innovative role played by women and gender issues in the age of light

The Oxford Handbook of Women and Gender in Medieval Europe Judith M. Bennett, Ruth Mazo Karras, 2013-08-22 Provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E

A Companion to Global Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2020-11-19 Provides a completely updated survey of the major issues in gender history from geographical chronological and topical perspectives This new edition examines the history of women over thousands of years studies their interaction with men in a gendered world and looks at the role of gender in shaping human behavior It includes thematic essays that offer a broad foundation for key issues such as family labor sexuality race and material culture followed by chronological and regional essays stretching from the earliest human societies to the contemporary period The book offers readers a diverse selection of viewpoints from an authoritative team of international authors and reflects questions that have been explored in different cultural and historiographic traditions Filled with contributions from both scholars and teachers A Companion to Global Gender History Second Edition makes difficult concepts understandable to all levels of students It presents evidence for complex assertions regarding gender identity and grapples with evolving notions of gender construction In addition each chapter includes suggestions for further reading in order to provide readers with the necessary tools to explore the topic further Features newly updated and brand new chapters filled with both thematic and chronological geographic essays Discusses recent

trends in gender history including material culture sexuality transnational developments science and intersectionality Presents a diversity of viewpoints with chapters by scholars from across the world A Companion to Global Gender History is an excellent book for upper level undergraduate and graduate students involved in gender studies and history programs It will also appeal to more advanced scholars seeking an introduction to the field

The Creation of the French Royal Mistress Tracy Adams, Christine Adams, 2020-03-24 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men s equals in competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies

A Companion to Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 A Companion to Gender History surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women s history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language

New Books on Women and Feminism, 2001

Women's Lives in Colonial Quito Kimberly Gauderman, 2010-01-01 What did it mean to be a woman in colonial Spanish America Given the many advances in women s rights since the nineteenth century we might assume that colonial women had few rights and were fully subordinated to male authority in the family and in

society but we d be wrong In this provocative study Kimberly Gauderman undermines the long accepted patriarchal model of colonial society by uncovering the active participation of indigenous mestiza and Spanish women of all social classes in many aspects of civil life in seventeenth century Quito Gauderman draws on records of criminal and civil proceedings notarial records and city council records to reveal women s use of legal and extra legal means to achieve personal and economic goals their often successful attempts to confront men s physical violence adultery lack of financial support and broken promises of marriage women s control over property and their participation in the local interregional and international economies This research clearly demonstrates that authority in colonial society was less hierarchical and more decentralized than the patriarchal model suggests which gave women substantial control over economic and social resources **From Obscurity to Light** Devika Rangachari,2020-03-10 This book attempts to reintegrate women into the socio political milieu of early medieval Orissa Its sources are inscriptions mostly Sanskrit that date from the seventh century to the end of the reign of the Imperial Ganga ruler Anantavarman Codagangadeva CE 1078 1147 The evidence indicates that royal and non royal women had varying but undeniably important roles to play in the socio political fabric of this prominent regional entity The Bhauma Kara dynasty c mid eighth ninth late tenth century that witnessed the rule of six women four of them in succession is a case in point In addition the palpable presence of several other royal and non royal women is consistently documented in the epigraphic record This is an aspect that has received very little attention in secondary works thereby rendering this study a pioneering one The work follows on from Rangachari s earlier Invisible Women Visible Histories Gender Polity and Society in North India 7th to 12th century ad which had focused on important gendered aspects of early medieval north India through an analysis of literary and epigraphic sources of Kashmir Kanauj Bengal and Bihar The invisibilization of women whereby their presence is routinely ignored or trivialized was similarly its underlying essence Please note This title is co published with Manohar Publishers New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka Gender Issues in Government and Management Tryma, Kateryna,Alavardov, Emilia,Bari, Muhammad Waseem,2024-08-29 With the new challenges in globalization the role of women in contemporary politics economics and management practices remains pressing Women in leadership now serve as role models contributing to the political and economic development of their countries while furthering gender equality in businesses organizations and governments Ensuring gender equality remains pivotal to sustainable development and economic growth Gender Issues in Government and Management explores the positive impacts of gender equality on modern society enhancing our understanding of how gender issues affect politics economics and social inequality By examining the current issues and challenges in gender this book poses solutions for socio economic improvement This book covers topics such as gender and diversity political science and international relations and is a valuable resource for government officials politicians sociologists economists students and educators of higher education researchers and academicians Shakespearean

Tragedy and Gender Shirley Nelson Garner, Madelon Sprengnether, 1996-02-22 Shakespeare is not our contemporary the contributors to Shakespearean Tragedy and Gender emphatically conclude yet coping with his cultural influence is never a simple matter Ranging from Shakespeare's earliest attempts at tragedy in Richard III and Titus Andronicus this volume covers the major tragic period giving special attention to Othello Back cover

Royalty Feudalism And Gender Introduction

In today's digital age, the availability of Royalty Feudalism And Gender books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Royalty Feudalism And Gender books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Royalty Feudalism And Gender books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Royalty Feudalism And Gender versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Royalty Feudalism And Gender books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Royalty Feudalism And Gender books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Royalty Feudalism And Gender books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Royalty Feudalism And Gender books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Royalty Feudalism And Gender books and manuals for download and embark on your journey of knowledge?

FAQs About Royalty Feudalism And Gender Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Royalty Feudalism And Gender is one of the best book in our library for free trial. We provide copy of Royalty Feudalism And Gender in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Royalty Feudalism And Gender. Where to download Royalty Feudalism And Gender online for free? Are you looking for Royalty Feudalism And Gender PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Royalty Feudalism And Gender. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Royalty Feudalism And Gender are for sale to free while some are payable. If you arent sure if the books you

would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Royalty Feudalism And Gender. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Royalty Feudalism And Gender To get started finding Royalty Feudalism And Gender, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Royalty Feudalism And Gender So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Royalty Feudalism And Gender. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Royalty Feudalism And Gender, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Royalty Feudalism And Gender is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Royalty Feudalism And Gender is universally compatible with any devices to read.
