Considerable Extent Re-written by A. Frampton Robert THOMAS (M.D.),1853 *Modern Practice of Physic* Robert Thomas (M.D.),1853 **Starting in the Middle** Tik Maynard,2025-04-29 An extraordinary follow up to the bestselling memoir

In the Middle Are the Horsemen He thought he had it made Dream farm Amazing wife Wonderful kids Clear and present purpose Horses But then he began to wonder if he was doing it all right enough if maybe he d been doing it for long enough He began to wonder if it was right at all When midlife appeared before horseman Tik Maynard he had plenty of past adventures to cite and no shortage of future possibilities But his own questions about his life as a horse trainer and equestrian competitor began to overwhelm the joy of all he had accomplished and discovered It suddenly became imperative that he reconsider his path and open himself to alternatives and a course that might drastically differ from what he d always thought he wanted When an invitation to participate in Road to the Horse the World Championship of Colt Starting was offered Maynard immediately saw an opportunity to learn to expand his world beyond what in some ways felt too complete to reboot the passion that had always driven him And so he took a chance on himself and an unknown unbroken colt and said I ll do it In these deep considered and painstakingly articulated pages Maynard chronicles a year of reading traveling asking questions and trying new things as he supported by family and friends threw himself into the preparation he knew he needed to have 265 minutes in front of a live audience be something positive for both him and a horse he did not yet know The reader travels along as Maynard meets some of the leading figures in the world of animal behavior and training examining the ways humans can successfully communicate with other species from a multitude of entry points both traditional and out of the box With dialogue that sweeps you into each fascinating expert s space and time he shares his struggles with the philosophical and ethical side of his life s pursuit and thoughtfully illustrates the conversations that helped him construct a system of beliefs and understanding that supported his natural abilities and lifetime in the saddle while at the same time challenging everything he thought he already knew Readers are offered the opportunity to grow alongside Maynard not only as horse lovers but as people as he tries and tests and fails and finds and eventually chooses which direction to take in the second half of his life With a diligence and intelligence that is unique to the genre of books about horses and extends well beyond the barn to the broader questions faced by the human race Maynard has again given us a unfailingly honest telling of one life and the pursuit of fulfilling it Starting in the Middle is for anyone wondering what s next and trying to be brave enough to go out and look for it **Dr. Chase's New Receipt Book, or Information for Everybody** Alvin Wood

Chase,2022-08-01 Dr Chase s New Receipt Book or Information for Everybody serves as a groundbreaking compilation of practical recipes remedies and advice for domestic life in the 19th century It reflects the burgeoning interest in self sufficiency and home care during a time when industrialization began to reshape American society Chase employs a straightforward literary style facilitating accessibility for readers from varying backgrounds thus ensuring that a diverse audience might benefit from his holistic approach to health and household management Each section is meticulously organized providing a wealth of knowledge ranging from culinary techniques to medicinal treatments capturing the spirit of an era where DIY culture flourished Alvin Wood Chase an esteemed physician and herbalist ventured into writing this receipt book while deeply influenced by the evolving paradigms of both medicine and domestic life His background in medicine and his commitment to educating the public about health and wellness led him to distill his expertise into practical advice Amid the scientific advancements of his day Chase sought to bridge the gap between professional medicine and everyday practices thus empowering readers to take charge of their health and homes Dr Chase s New Receipt Book is an invaluable resource for anyone interested in historical approaches to health and domesticity With its rich context and practical insights the book not only serves as a guide for modern readers seeking sustainable living practices but also offers a glimpse into 19th century American culture Its timeless relevance makes it an essential addition to the libraries of historians culinary enthusiasts and health advocates alike
