John Cassell's art treasures exhibition John Cassell, 1858 **The Art-Treasures Examiner** Art Treasures Exhibition, 1857 (MANCHESTER), 1857 , **The Manchester Art Treasures Exhibition of 1857** Elizabeth A. Pergam, 2017-07-05

An overdue study of a groundbreaking event this is the first book length examination of the Manchester Art Treasures Exhibition of 1857. Intended to rehabilitate Manchester's image at a heady time of economic prosperity the Exhibition became a touchstone for aesthetic social and economic issues of the mid nineteenth century. Reverberations of this moment can be followed to the present day in the discipline of art history and its practice in public museums of Europe and America. Highlighting the tension between art and commerce philanthropy and profit the book examines the Exhibition's organization and the presentation of the works of art in the purpose built Art Treasures Palace. Pergam places the Exhibition in the context of contemporary debates about museum architecture and display. With an analysis of the reception of both Ancient and Modern paintings the book questions the function of exhibitions in the construction of an art historical canon. The book also provides an essential reference tool a compiled list of all of the paintings exhibited in 1857 that are now in public collections throughout the world with an analysis of the collecting trends manifest in their provenance.

The World's Story Eva March Tappan, 1914 **The Artist's Sketch** Carolyn J. Brown, 2017-02-17

Artist Kate Freeman Clark 1875-1957 left behind over one thousand paintings now stored at a gallery bearing her name in her hometown of Holly Springs Mississippi. But it was not until after her death in 1957 at the age of eighty one that citizens even discovered that she was a painter of considerable stature. In her will Clark left the city her family home her paintings stored at a warehouse in New York for over forty years and money to build a gallery much to the surprise of the Holly Springs community. As a young woman Clark studied art in New York and took classes with some of the greatest American artists of the day. From the start Clark approached the study of art with discipline and tenacity. She learned from William Merritt Chase when he opened his own school in 1895. For six consecutive summers at his Shinnecock Summer School of Art in Long Island she mastered the plein air technique. Chase trained many female students yet he recognized Clark as his most talented pupil. The book prints for the first time excerpts from Clark's delightful journal of the artist's experience at Chase's school giving readers firsthand reporting of an artist led school in the early twentieth century. Clark returned to Holly Springs in 1923. Mysteriously sadly she never resumed painting and lived the last years of her life in quietude. *The Artist's Sketch* shines a light on Clark finally bringing her out of obscurity. This book also introduces Clark's art

to a new generation of readers and highlights current projects and important work being done in Holly Springs by the Kate Freeman Clark Art Gallery and the Marshall County Historical Museum the two institutions that since her death have worked hard to keep Kate Freeman Clark's legacy alive
