that as markets were sinking and defaults looming the guardians of global financial stability were often floundering improvising and feuding among themselves The Chastening casts serious doubt on the IMF's ability to combat investor panics at a time when massive flows of money traverse borders and oceans A readable compelling account of the deeply flawed workings of the international political system The Chastening is vital reading for students and scholars of international diplomacy government and economic and public policy

Dixie Heretic Tennant McWilliams, Tennant S. McWilliams, 2023-09-22 Dixie Heretic is a life and times biography of the minister and social reformer Renwick C Kennedy 1900-1985 an impassioned tortured man who strove ardently to make his white Alabama congregants more Christian by acknowledging their own racism and greed and who not only lived but chronicled carefully many of the forces culminating in the right wing conservative movement today As McWilliams relates Kennedy came from upcountry South Carolina a place rife with Scotch Irish Associate Reformed Presbyterians They lived by biblical infallibility and a strain of individual piety and salvation focused on the hereafter In the early 1920s however his ministerial studies took him to Princeton Theological Seminary There he encountered the Presbyterian Conflict over science fundamentalism and the social gospel and he emerged a radical Christian socialist Like a few other articulate practitioners of Neo orthodoxy young Kennedy stayed true to the literalist Bible and the salvation and piety allegiances of his youth But he embraced not only the Social Gospel's mandate to solve earthly problems

of poverty and prejudice but many cardinal tenets of modern science as well. To Kennedy this posed no contradiction. In 1927 Kennedy moved to Camden, Alabama, the seat of Wilcox County, where he soon married and started a family. Meanwhile his ministry for social change dominated his Wilcox pastorates filled with the very people from whom he derived the Scotch Irish. Quietly he came to believe that God had a mandate for him to confront and change the behaviors and beliefs of his congregations, notably their attitudes about race and poverty. And to do this he found he had to attack what he considered traditionalist Christian hypocrisy, half Christianity or non-social-gospel Christianity, some of which he came to see as a form of proto-fascism, if not fascism itself. He soon turned to penning confrontational short stories, many published in *Christian Century* and some in the *New Republic*, and set in his fictitious Yaupon County. In some of these stories he overtly revealed his allegiances as a Social Gospel Christian and as an adamant supporter of Franklin Roosevelt's Democratic party. He spared no one, not even members of his own congregation. He also abandoned his pacifism and urged US intervention in World War II; he hoped that the defeat of racial fascism abroad might somehow grow white hearts at home. Ultimately to help eliminate the anti-Christ, the mad dog Hitler, Kennedy joined the U.S. Army. As a chaplain with the famed 102nd Evacuation Hospital, he experienced some of the most horrific chapters of the conflict: Saint Lo, the Battle of the Bulge, and arrived at Dachau a mere week after German soldiers fled. The postwar world gave Kennedy periods of optimism and hope. He returned from the war believing America might deal with its own racial issues the way it had treated Europe and Japan's. His own children grew into educated, enlightened, and thriving adults. And new developments in his professional life brought considerable increases to his family income, easing his wife's long financial insecurities. Yet these years also offered a great many frustrations. Even by 1948 he knew his Social Gospel hopes about racism, fascism, and white entitlement, especially among his fellow Scotch Irish, were naïve at best. The rise of the Dixiecrat movement, a key Dixiecrat leader, Alabama State senator J. Miller Bonner, was a member of his own congregation, only deepened his sense of personal defeat. Even so, the rise of the civil rights movement in the 1950s and 1960s, and occasional developments in state and national politics, rekindled at least some of his old Neo-orthodox hope and drive. He played a significant role in desegregating Troy State University, for instance, but the gratifications of even small victories proved fleeting, dashed by the assassinations of Dr. King, JFK, and RFK, and the growing numbers of southern white Republicans and Wallaceites. In Kennedy's increasing down times, he was privately the self-professed Christian and a Democrat, seeing national Republicans as sinners for their growing embrace of white southern racial conservatives. A long-term functional alcoholic, this privately persistent Neo-orthodox Christian never ceased agonizing over the growing half Christianity around him. Indeed, he died worrying about what it portended for the role of white supremacist proto-fascists in modern America, aware of having made few inroads on God's mandate and what he considered white Christian wrongs in Alabama. While Renwick Kennedy was front-loaded for the failure he indeed found still in the values and social norms, he pondered and challenged at every stage of his life, and today so badly in need of recommitment, he stands as a good citizen, a
