Selected Letters Of John Ciardi:

The selected letters of John Ciardi John Ciardi,1991

The arc of literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children's path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other

Selected Letters of William Michael Rossetti Roger W. Peattie, 1990-03-15 William Michael Rossetti 1829 1919 always presented himself as the third Rossetti a civil servant and critic unworthy to be compared with his brother Dante Gabriel and his sister Christina Not everyone has readily accepted Rossetti s evaluation of himself The painter William Rothenstein remembered him as a man whose outlook on life was broad and humane and the only one of the Pre Raphaelites who was sympathetic towards the work of younger writers and painters More recently Professor W E Fredeman has written of him as among the P R B s almost the only man of action and the essential figure in the founding of the Pre Raphaelite Brotherhood and its magazine *The Germ* The publication of this edition of more than six hundred of his letters most of them previously unpublished to such leading literary and artistic figures as Holman Hunt Ford Madox Brown Dante Gabriel and Christina Rossetti Browning Swinburne Whistler and Whitman demonstrates convincingly the range and quality of his friendships his active involvement in the cultural life of Victorian England and the complexity of his character The letters also offer a detailed account of his powerful advocacy of the work of Blake and Shelley of Swineburne and Whitman among his contemporaries and after their deaths of Dante Gabriel and Christina Rossetti Throughout his life Rossetti was intensely aware of the political and social events of his time both in Europe and the United States and the letters contain numerous references to the Crimean Franco Prussian and Boer wars the Paris Commune the American Civil War women s suffrage and Italian unification The letters have been extensively annotated making use of the hundreds of letters by Rossetti not included

Jubilee Hitchhiker William Hjortsberg, 2012-04-01 Confident and robust Jubilee Hitchhiker is a comprehensive biography of late novelist and poet Richard Brautigan author of Troutfishing in America and A Confederate General from Big Sur among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan's career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As

Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer's world. Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life. Part history part biography and part memoir this etches the portrait of a man destroyed by his genius. **Thomas Merton and James Laughlin** Thomas

Merton, James Laughlin, 1997. Cloistered in a remote Kentucky monastery Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing. Here is the remarkable development of Thomas Merton monk poet and social critic as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin. **The Selected Letters of Robert Creeley** Robert Creeley, 2014. Robert Creeley is one of the most celebrated

and influential of the postwar American poets. His Selected Letters covering the years 1945-2005 are a foundational document in the recent history of North American letters. Through his engagements with mentors such as William Carlos Williams and Ezra Pound, peers such as Charles Olson, Robert Duncan, Denise Levertov, Allen Ginsberg, and Jack Kerouac, and mentees such as Charles Bernstein, Anselm Berrigan, Ed Dorn, Susan Howe, and Tom Raworth, Creeley helped forge a new poetry that reimagined writing for his and subsequent generations. A stylist of the highest order, Creeley's letters carry the clear mark of consummate literary artistry and document the life work and times of one of our greatest writers. *Research Guide to Biography and Criticism*, 1985. Vols I-II 325 British American and Canadian poets and novelists from Beowulf to the present. Vol III 139 world dramatists from the Greeks to the present. Vol IV 1990 Update. Vols V-VI 127 Contemporary writers.

Words to Measure a War David K. Vaughan, 2009-04-23. This is a study of the war poetry of nine American men who served in World War II. The efforts of those who had established themselves as poets prior to or during the war, Karl Shapiro, Randall Jarrell, John Ciardi, and William Meredith, are compared with those whose poetic careers began after the war, Louis Simpson, James Dickey, Richard Hugo, Howard Nemerov, and Lincoln Kirstein. The military careers of these soldiers illuminate how their experiences affected the content as well as style of their poems. Each man's poetry directly related to his involvement with the combat environment: the closer the combat experience, the more personal the poetry; the more distant the experience, the more detached the poetry. **Random Miracles** Edward Martin Cifelli, 2009-11-10.
