Joseph McCarthy

Senator Joe McCarthy:

Senator Joe McCarthy Richard H. Rovere, 1996-04-12 The definitive job and I can't imagine what else there is to say about him Walter Lippman This is an appraisal without apology If its judgments are uncompromising they are also given without rancor indeed with an air of almost sympathetic curiosity about the phenomenon that was McCarthy It is no surprise that Rovere's book is a vividly written sophisticated recreation of a political episode whose manic qualities already begin to seem unbelievable Anthony Lewis

The Life and Times of Joe McCarthy Thomas C. Reeves, 1982 This excitingly readable biography will be remembered a complete page turner Publishers Weekly

Blacklisted by History M. Stanton Evans, 2009-11-24 Accused of creating a bogus Red Scare and smearing countless innocent victims in a five year reign of terror Senator Joseph McCarthy is universally remembered as a demagogue a bully and a liar History has judged him such a loathsome figure that even today a half century after his death his name remains synonymous with witch hunts But that conventional image is all wrong as veteran journalist and author M Stanton Evans reveals in this groundbreaking book The long awaited Blacklisted by History based on six years of intensive research dismantles the myths surrounding Joe McCarthy and his campaign to unmask Communists Soviet agents and flagrant loyalty risks working within the U S government Evans's revelations completely overturn our understanding of McCarthy McCarthyism and the Cold War Drawing on primary sources including never before published government records and FBI files as well as recent research gleaned from Soviet archives and intercepted transmissions between Moscow spymasters and their agents in the United States Evans presents irrefutable evidence of a relentless Communist drive to penetrate our government influence its policies and steal its secrets Most shocking of all he shows that U S officials supposedly guarding against this danger not only let it happen but actively covered up the penetration All of this was precisely as Joe McCarthy contended Blacklisted by History shows for instance that the FBI knew as early as 1942 that J Robert Oppenheimer the director of the atomic bomb project had been identified by Communist leaders as a party member that high level U S officials were warned that Alger Hiss was a Soviet spy almost a decade before the Hiss case became a public scandal that a cabal of White House Justice Department and State Department officials lied about and covered up the Amerasia spy case and that the State Department had been heavily penetrated by Communists and Soviet agents before McCarthy came on the scene Evans also shows that practically everything we've been told about McCarthy is false including conventional treatment of the famous 1950 speech at Wheeling West Virginia that launched the McCarthy era I have here in my hand the Senate hearings that casually dismissed his charges the matter of leading McCarthy suspect Owen Lattimore the Annie Lee Moss case the Army McCarthy hearings and much more In the end Senator McCarthy was censured by his colleagues and condemned by the press and historians But as Evans writes The real Joe McCarthy has vanished into the mists of fable and recycled error so that it takes the equivalent of a dragnet search to find him Blacklisted by History provides the first accurate account of what McCarthy did and more broadly what happened to

Ike and McCarthy David A.

Nichols,2017-03-21 The full little known story of how President Dwight Eisenhower masterminded the downfall of the anti Communist demagogue Senator Joseph McCarthy is a gripping detailed account of how the executive branch subtly but decisively defeated one of America s most dangerous demagogues The Washington Post They shook hands for the cameras but Dwight Eisenhower privately abhorred Senator Joseph McCarthy the powerful Republican senator notorious for his anti Communist campaign In spite of a public perception that Eisenhower was unwilling to challenge McCarthy Ike believed that directly confronting the senator would diminish the presidency Therefore the president operated more discreetly and effectively with a hidden hand In a thorough well written and surprising picture of a man who was much more than a do nothing president Kirkus Reviews starred review David A Nichols shows how the tension between the two men escalated In a direct challenge to Eisenhower McCarthy alleged that the US Army was harboring communists and launched an investigation But the senator had unwittingly signed his own political death warrant The White House employed surrogates to conduct a clandestine campaign against McCarthy and was not above using information about the private lives of McCarthy s aides as ammunition By January 1954 McCarthy was arguably the most powerful member of the Senate Yet at the end of that year he had been censured by his colleagues for unbecoming conduct Eisenhower s covert operation had discredited the senator months earlier exploiting the controversy that resulted from the televised Army McCarthy hearings McCarthy would never recover his lost prestige In Ike and McCarthy Nichols uses documents previously unavailable or overlooked to authenticate the extraordinary story of Eisenhower s anti McCarthy campaign The result is a well researched and sturdily written account of what may be the most important such conflict in modern history Americans have as much to learn today from Eisenhower as his many liberal critics did in 1954 The Atlantic Monthly
