Send A Fax To The Kasbah:

Scales of Gold Dorothy Dunnett, 2010-08-11 With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles Dorothy Dunnett grande dame of the historical novel presents The House of Niccol series The time is the 15th century when intrepid merchants became the new knighthood of Europe Among them none is bolder or more cunning than Nicholas vander Poele of Bruges the good natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire The year 1464 finds Nicholas back in Venice Plagued by enemies bent on dissolving his assets and smearing his character he sets sail for Africa legendary location of the Fountain of Youth home to a descendant of Sheba and Solomon and the source of gold in such abundance that men prefer to barter in shells He will learn firsthand the brutality and grandeur of the Dark Continent from the horror of the slave trade to the austere nobility of Islamic Timbuktu He will discover too the charms of the beautiful Gelis van Borselen a woman whose passion for Nicholas is rivaled only by her desire to punish him for his role in her sister's death Erotic and lush with detail Scales of Gold embraces the complexity of the Renaissance where mercantile adventure couples with more personal quests behind the silken curtains of the Age of Discovery

Gemini Dorothy Dunnett, 2010-08-11 Scotland 1477 Nicholas de Fleury former banker and merchant has reappeared in the land that four years earlier he had brought very close to ruin in the course of an intense commercial and personal war with secret enemies and indeed with his clever wife Gelis Now the opportunity for redemption is at hand but Nicholas soon finds himself pursuing his objectives amid a complex corrosive power struggle centering on the Scottish royal family but closely involving the powerful merchants of Edinburgh the gentry the clergy the English ever seeking an excuse to pounce on their neighbor to the north the French the Burgundians His presence soon draws Gelis and their son Jodi to Scotland as well as Nicholas's companions and subordinates in many a past endeavor Dr Tobias and his wife Cl mence Mick Crackbene John le Grant and Andro Wodman among them Here too Nicholas meets again with others who have had an influence for good or evil in his life King James III of Scotland and his rebellious siblings the St Pols Jordan Simon and young Henry Mistress Bel of Cuthilgurdy and David de Salmeton Anselm Adorne and Kathi his niece Caught up in and sometimes molding the course of great events Nicholas exhibits by turns the fierce silence with which he masks his secrets and the explosive willful gaiety that binds men women and children to him And as the secrets of his birth and heritage come to light Nicholas has to decide whether he desires to establish a future in Scotland for himself and his family and a home for his descendants Gemini brings to a dazzling conclusion Dorothy Dunnett's House of Niccol series synopsized in this volume in which this peerless novelist has vividly re-created the dramatic flamboyant world of the early Renaissance in historical writing of scrupulous authenticity and in the entrancing portrait of her visionary hero Now in a book infused with wit and poetry emotion and humor action and mystery she brings Nicholas de Fleury at last to choose his heart's home where he can exercise all his skills as an advisor to kings and statesmen as a husband a father and a leader of

men and where perhaps we will discern a connection between him and that other remarkable personality Francis Crawford whose exploits Lady Dunnett recorded so memorably in *The Lymond Chronicles* [A Dictionary of Writers and their Works](#) Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication
