understanding of how they received the freedom by which they live and how the hand of God moved in the forming of the nation as we know it today As an educator I highly recommend that every home and parent make this book a must in the education of their children Dr Arthur Nazigian Board Chairman Emeritus Association of Christian Schools International Published Author Charter member ACSI Board Portraits of Jewish-American Heroes Malka Drucker,2017-01-17 From its beginnings America founded on religious freedom has been a land of opportunity for Jews socially as well as spiritually Here are profiles of twenty one individuals who have enriched America and the lives of Americans through their achievements in such areas as science sports film making and civil rights An inspiring journey through more than two centuries of American Jewish history American Patriots Rick Santorum,2012-10-02 The United States of America was founded and established by ordinary citizens just like you and me In their struggle for independence these heroic men and women willingly shed their blood sweat and tears often sacrificing their own lives and fortunes in order to hand down the precious legacy of freedom we all enjoy today Now is the time for a new generation of American patriots to rise up and join in the fight Now is the time for every American to return to the virtues values and ideals that formed our foundation of freedom and enable America to remain a great nation a powerful democracy and a beacon of hope for the world American Patriots highlights the heroic men and women who valiantly fought to secure our God given rights of life liberty and the pursuit of happiness not only for themselves and their children but for countless future generations Their stories are a true reminder of the extraordinary faith courage and determination that set this country on the path to greatness centuries ago and an inspiration for future generations of great American patriots Haym by George Jackson Grin,2016-05-25 Many people know George is George Washington the father of our country Many however do not know the details of his brilliant career as a soldier his stand on slavery and his fervor in establishing the freedoms we hold dear Nor do they know that despite his superb leadership we would have lost the revolutionary war and our chance to become an independent nation if it were not for foreign intervention Few know Haym Salomon the savior of our country Who was he and why was he important He was a Jewish Polish immigrant who was mainly responsible for financing the American Revolutionary War He was caught by the British and sentenced to death as an American spy How he escaped the hangmans noose and became a friend of George Washington is part of the story George Washington said Haym Salomon provided the funds for our army when everyone including all the colonies refused If it were not for Haym Salomon we could not have fought the Revolutionary War and won our independence nor survived as a newborn nation The lives and times of George Washington and Haym Salomon are inextricably woven into the fabric of the Revolutionary War our fight for independence and the ideals upon which this nation was founded This book therefore encompasses much of the magnificent contributions of these two patriots and the actual events that led to the difficult birth and early survival of the United States of America and the principles forever enshrined to protect our democracy **As America Has Done to Israel** John P. McTernan,2008-03-04 Is America on a Collision Course with God

There is a direct correlation between the alarming number of massive disasters striking America and her leaders pressuring Israel to surrender her land for peace Costing hundreds of lives and causing hundreds of billions of dollars worth of damage dozens of disasters have hit America and always within twenty four hours of putting pressure on Israel These disasters have included earthquakes raging fires hurricanes floods tsunamis and tornadoes What can you do as an individual and what can America do to change the direction of our country in relation to Israel and prevent the increasing number of calamities
