*The Seneca Hostage* Carter A Vaughan, 1980-06      **The Seneca Hostage** Noel Bertram Gerson, 1969 Novel about the American Colonies in 1753      Setting All the Captives Free Ian K. Steele, 2013-11-01 Among the many upheavals in North America caused by the French and Indian War was a commonplace practice that affected the lives of thousands of men women and children being taken captive by rival forces Most previous studies of captivity in early America are content to generalize from a small selection of sources often centuries apart In *Setting All the Captives Free* Ian Steele presents from a mountain of data the differences rather than generalities as well as how these differences show the variety of circumstances that affected captives experiences The product of a herculean effort to identify and analyze the captives taken on the Allegheny frontier during the era of the French and Indian War *Setting All the Captives Free* is the most complete study of this topic Steele explores genuine doctored and fictitious accounts in an innovative challenge to many prevailing assumptions and arguments revealing that Indians demonstrated humanity and compassion by continuing to take numerous captives when their opponents took none by adopting and converting captives into kin during the war and by returning captives even though doing so was a humiliating act that betrayed their societies values A fascinating and comprehensive work by an acclaimed scholar *Setting All the Captives Free* takes the study of the French and Indian War in America to an exciting new level      Seneca Philosophus Julia Wildberger, Marcia L. Colish, 2014-08-20 Addressing classicists philosophers students and general readers alike this volume emphasizes the unity of Seneca's work and his originality as a translator of Stoic ideas in the literary forms of imperial Rome It features a vitalizing diversity of contributors from different generations disciplines and research cultures Several prominent Seneca scholars publishing in other languages are for the first time made accessible to anglophone readers      On Seneca's "Ad Marciam" C.E. **Dictionary of Indian Tribes of the Americas** Jan Onofrio,1995-01-01 DICTIONARY OF INDIAN TRIBES OF THE  
AMERICAS Second Edition contains information on over 1 150 tribal nations of the entire western hemisphere from the  
Aleuts of the Arctic region to Onas in southern Argentina and Chile This is a contemporary work and its intention is to bring  
modern day insights to the consideration of the native peoples who populate the western hemisphere Every effort has been  
made to include tribes that have not been extensively covered in other publications Modern anthropologists and historians  
tend to agree that there is a basic homogeneity cultural social biological or other similarities within a group among the native  
peoples of the Americas that need to be considered when any of the tribes are studied The tribal entries were written by  
noted local national and international historians and anthropologists      ... *Handbook of American Indians North of Mexico:*
