*Beauty Unlimited* Peg Zeglin Brand, 2013 Emphasizing the human body in all of its forms *Beauty Unlimited* expands the boundaries of what is meant by beauty both geographically and aesthetically Peg Zeglin Brand and an international group of contributors interrogate the body and the meaning of physical beauty in this multidisciplinary volume This striking and provocative book explores the history of bodily beautification the physicality of socially or culturally determined choices of beautification the interplay of gender race class age sexuality and ethnicity within and on the body and the aesthetic meaning of the concept of beauty in an increasingly globalized world

Balinese Art Adrian Vickers, 2012-11-10 Balinese Art is the first comprehensive survey of Balinese painting from its origins in the traditional Balinese village to its present position at the forefront of the high priced Asian art scene Balinese art has been popular and widely collected around the world for many decades In fact the contemporary painter who commands the highest prices in Southeast Asia's hot art market is Bali born Nyoman Masriadi 1973 This book demonstrates that his work draws on a long and deeply rooted tradition of the Bali art scene Balinese painting has deep local roots and has followed its own distinctive trajectory yet has been heavily influenced by outsiders Indian artistic and religious traditions were introduced to Bali over a thousand years ago through the prism of ancient Javanese culture Beyond the world of Indonesian art Balinese artists and craftsmen have also interacted with other Asian artists particularly those of China and later Western artists From these sources an aesthetic tradition developed that depicts stories from the ancient Indian epics as well as themes from Javanese mythology and the religious and communal life of the Balinese themselves Starting with a discussion of the island's aesthetic traditions and how Balinese art should be viewed and understood this book goes on to present pre colonial painting traditions some of which are still practiced in the village of Kamasan the home of classical Balinese art However the main focus is the development of new styles starting in the 1930s and how these gradually evolved in response to the tourist industry that has come to dominate the island Balinese Art acquaints readers with the masterpieces and master artists of Bali and the final chapter presents the most important artists who are active today and serves as an introduction to their work

*Tourism in South-East Asia* Michael Hitchcock, Victor T. King, Michael J.G. Parnwell, 2018-10-26 South East Asia has developed rapidly as a tourist destination but what are the effects of this growth upon the peoples of the region How far is it possible to control the impact of tourism whilst also supporting the industry's role in the region's development This book first published in 1993 attempts to answer these questions by providing a critical analysis of the nature of tourism as it has developed in the area It questions commonly held assumptions about tourism both from a western perspective and from the point of view of policy makers in the region It explores central issues such as the impact of tourism on the environment culture and the economy placing it within an historical and political context in order to assess the implications of current developments The contributors use case studies from a variety of countries on such aspects as the sex industry dream holidays and rural handicrafts assessing tourist perceptions both domestic and

international and policy decisions By taking a long term perspective it should provoke thought on the ways to develop sustainable tourism for the future

**Routledge Library Editions: Business and Economics in Asia** Various,2021-07-14 This set examines a vast range of topics covering all experiences of business and economics from across Asia Dealing with early banking systems in China the industrialisation of Korea and Taiwan the evolution of Japanese business practices economic development protectionist policies industrial investment trade tourism and a host of other topics the books collected here form a vital reference resource across a wide subject area

*The Kecak and Cultural Tourism on Bali* Kendra Stepputat,2021 The Kecak is one of the most well known dramatic dance performance practices on Bali It is based on stories from the Old Indian epic Ramayana performed by an ensemble of male and female solo dancers and accompanied by a group consisting of approximately 100 men who function both as musical accompaniment and living scenery that can be flexibly choreographed Since its genesis in the 1930s the Kecak has been almost solely performed in a tourist context This book gives a thorough analysis and description of the Kecak in its present form and explores how the Kecak became and stayed a tourist genre for more than 80 years The book is divided into two parts The first part focuses on the Kecak in its present form including musical choreographic and dramatic elements The connection between cultural tourism on Bali and Kecak performance practice is analyzed in detail including the dependency between tourism professionals and artists and ways of promoting the kecak Tourists perspectives on the Kecak are addressed separately The second part deals with the genesis and development of the Kecak from the 1930s onward

**Balinese Discourses on Music and Modernization** Brita Renee Heimarck,2013-08-21 While many Western scholars have discussed the technical aspects of Balinese music or the traditional contexts for performance little has been written in Western languages about Balinese discourses on their music This dissertation seeks to understand the experience of music in Bali according to Balinese voices through an analysis of oral and written dialogues on music mainly by musicians and dalangs shadow play puppeteers from the village of Sukawati scholars teachers administrators and students from the Indonesian College of the Arts STSI in the City of Denpasar The study examines the influence of modernization on the traditional arts and their role in society A concentration on Balinese discourses enables individual performers and scholars to represent themselves to a greater extent than previously seen in ethnomusicological scholarship making this study more of a critical discussion among equals than a Western interpretation of others This approach permits a rare view into contemporary Balinese conceptions and practices of music

**The Changing World of Bali** Leo Howe,2006-06-07 The glossy guide book image of Bali is of a timeless paradise whose people are devoutly religious and artistically gifted However a hundred years of colonialism war and Indonesian independence and tourism have produced both modernizing changes and created an image of Bali as traditional Incorporating up to date ethnographic field work the book investigates the myriad of ways in which the Balinese has responded to the influx of outside influence The book focuses on the fascinating interrelationship between tourism economy culture and religion in Bali painting a twenty first

century picture of the Balinese In documenting these diverse changes Howe critically assesses some of the work of Bali's most famous ethnographer Clifford Geertz and demonstrates the importance of a historically grounded and broadly contextualized approach to the analysis of a complex society

*Tourism, Ethnicity, and the State in Asian and Pacific Societies* Michel Picard, Robert E. Wood, 1997-05-01 The expansion of international tourism is changing the relationship between ethnic groups and states around the globe Yet tourism's importance for the understanding of ethnicity in the modern world has been generally neglected within the field of ethnic studies This pioneering volume investigates how international tourism development state policies of ethnic management and the active responses of local ethnic groups intersect to reshape ethnic identities and ethnic relations in Asian and Pacific societies It analyzes the ways in which the very meaning of ethnicity and culture are being contested and reworked in the wake of tourism's impact Following an introduction that explores the close but often ambivalent relationship between tourism promotion and state ethnic policies individual contributors examine tourism's varied effects in China Singapore Malaysia Thailand Indonesia and the island Pacific in rich ethnographic detail

**International Tourism** Marie-Françoise Lanfant, John B Allcock, Edward M Bruner, 1995-08-15 This book is one of several indications that the sociology of tourism is on the move these articles raise relevant important themes in the study of

tourism The contributors to this very readable book provide valuable insights many of which have been derived from empirical research that should interest anyone involved in the study of international tourism And by moving us away from polarised positions over the social impact of tourism toward more complex but also more considered perspectives they have also helped alter the agenda for future research David Harrison University of Sussex Tourism is becoming an increasingly prominent feature of contemporary life More of us travel for pleasure than ever before yet the social scientific literature on tourism is relatively scant This book provides an original contribution to the field of tourist studies The contributors to International Tourism reconceptualize the local and the global avoiding such crude oppositions as centre v periphery modern v traditional macro v micro and North v South Instead they demonstrate that the local cannot be understood without the global and that the global can never be isolated from the regional setting within which it operates Providing new insights into theories of touristic practice this volume places tourism within the same framework as other transnational global studies
