The volume is divided into four parts: Interpretation and Polemics, Gender and Sexuality, Popular Music and Early Music. Each of the essays treats music as cultural text and has a strong interdisciplinary appeal. Together with the autobiographical introduction, they will prove essential reading for anyone interested in the life and times of a renegade musicologist.

CASES of death by suicide shatter the lives of families as well as friends. There have been several recent instances of dying by suicide which have received relentless media coverage. But such coverage has often missed the underlying causes for such incidents. With September 10 being observed as Suicide Prevention Day, our Cover Story tries to analyse the potential triggers and lists possible steps to prevent a dangerous emotional situation from reaching a point of no return. The success of recent mainstream Odia videos and songs that have become chartbusters may be music to the ears to the creators, but this trend has left aficionados cringing. Fortunately for them, all is not lost. In *City Lights*, we catch up with some artists who still believe in creating music that touches the soul. *City Lights* also brings to you the forgotten story of the Amarda Road airstrip in Mayurbhanj, described as one of the biggest facilities of its kind during World War 2. Through his relentless efforts, historian Anil Dhir has succeeded in unravelling many of the secrets of the place. In our Health/Fitness section, we take a close look at the debilitating mental illness that is defined as Dementia of the Alzheimer's type or Alzheimer's Disease. With World Alzheimer's Day round the corner, we speak with caregivers and health professionals to understand more about the disease from its early symptoms to measures that can help people, particularly the elderly, to keep it at bay. This edition's *Transit Lounge* hosts the versatile and multi-talented Sorabh Pant, who has built an enviable reputation for himself in the world of standup. In Bhubaneswar for a show, recently he opens up about his career and the state of stand-up comedy in India. He also talks about juggling work and family responsibilities. In *ScreenShots*, we catch up with Deepak Sahu, who came into prominence after featuring in a hit Bhojpuri music video. He was recently seen in a few Odia music videos too. In a free-wheeling chat, the actor tells us about his experience working for the Odia music videos and discusses his plans for the future. The section also features one of Bollywood's ace Art Directors, Sukant Panigrahy. He talks to us about the journey from leaving home at 17 to making it big in the entertainment industry.
