Bryant,Barbara Fifer,2017-01-09 *Sins and Sinners* ,2012-08-17 Asian religious traditions have always been deeply concerned with sins and what to do about them As the essays in this volume illustrate what Buddhists in Tibet India China or Japan what Jains Daoists Hindus or Sikhs considered to be a sin was neither one thing nor exactly what the Abrahamic traditions meant by the term Sin could be both undesirable behavior and unacceptable thoughts In different contexts at different times and places a sin might be a ritual infraction or a violation of a rule of law it could be a moral failing or a wrong belief However defined sins were considered so grave a hindrance to spiritual perfection so profound a threat to the social order that the search for their remedies through rituals of expiation pilgrimage confession recitation of spells or philosophical reflection was one of the central quests of the religions studied here The Last of the Sinners Lynn Shurr,2024-07-15 Rex Billodeaux has his life exactly where he wants it He has returned to New Orleans to play quarterback for Sinners Super Bowl prospects look good and so does Dre Ames a young woman he has known since the age of seventeen but overlooked because she has a son she gave birth to as a teen He is about to propose when the death of the team owner throws the Sinners into turmoil The trophy wife who inherits the team hates football and the city society who snubbed her She plans to sell the team out of state and will only reconsider if Rex agrees to do her every bidding and break up with Dre He takes one for the team and signs her agreement Will he be able to save the Sinners and return to Dre That is the question
