A Sense of the Supernatural - Interpretation of Dreams and Paranormal Experiences Rabbi Yitzchak Ginsburgh,2008 As we move through life we are constantly being addressed through both our normal and paranormal senses Kabbalah teaches us that we can always benefit from these signals by adopting a dual strategy the innocent path of simplicity together with the focused approach of rational analysis For some

years now I have been aware that I have the ability to tap into other worlds and experience various paranormal events Should I try to work to eliminate these experiences from my life and if so how I have a question regarding the removal of a curse on land and turning it into a blessing Can you tell me any procedures or do s and don ts concerning this Any information will be appreciated I have had several very significant dreams that have so disturbed me No one I know really seems to have any insight into what these dreams may mean I would greatly appreciate any wisdom you might pass on to me In this selection of letters concerning dreams and paranormal experiences you will find detailed answers to these questions and others Studying the replies in this volume will present you with a new fuller and clearer attitude towards perceiving and interpreting the spiritual phenomena that you may experience **Songs Ascending Vol. 2** Rabbi Richard N.

Levy,2017-12-04 A beautiful poetic translation of the Book of Psalms Songs Ascending includes textual commentary and insights into the translation process illuminating the choices of the original composers and the choices facing us in the 21st century as we try to make each psalm our own The spiritual commentary asks To what events struggles and triumphs in our lives might this psalm speak How might this psalm articulate an aspect of our own sacred existence or how might it help us celebrate a special day in our lives How might it provide comfort when we are bereft and most in need of consolation or how might it help us provide comfort for someone else Songs Ascending explores all this and more engaging the reader in dialogue that will inform and inspire For Richard Levy the force of the Psalms comes from their spiritual intentions and he re enforces this priority with rich commentary and postscripts that help the reader actually USE the Psalms in some meaningful way Songs Ascending may be the high point in Richard Levy s career a career filled with high points Rabbi William Cutter PhD Steinberg Emeritus Professor of Human Relations at HUC JIR Los Angeles With its clear and engaging English translation the insightful commentary and thought provoking spiritual applications Songs Ascending offers something for everyone from lay person to rabbi to biblical scholar alike And for that I give it a two thumbs up or as we say in Hebrew kol hakavod Professor Kristine Henriksen Garroway Visiting Assistant Professor of Hebrew Bible at HUC JIR Los Angeles

Levine Jan Joosten Daniel Boyarin Charlotte Hempel David Stern Beth Berkowitz Azzan Yadin Joshua Levinson Elitzur Bar Asher Siegal Michal Bar Asher Siegal Tzvi Novick Devora Diamant Richard Kalmin Carol Bakhos Judith Hauptman Jeff Rubenstein Martha Himmelfarb Stuart Miller Esther Chazon James Kugel Chaim Milikowsky Maren Niehoff Peter Schaefer and Adiel Schremer Remembering the Future Emma O'Donnell, 2015-12-07 Common to both Judaism and Christianity is a heightened engagement with time within liturgical practice in which collective religious memory and anticipation come together to create a unique sense of time Exploring the nebulous realms of religious experience and the sense of time Remembering the Future charts the ways that the experience of time is shaped by the traditions of Judaism and Christianity and experienced within their ritual practices Through comparative explorations of traditional Jewish and Christian understandings of time contemporary oral testimonies and discussions of the work of select twentieth century Jewish and Christian thinkers this book maps the temporal landscapes of the religious imagination Maintaining that the sense of time is integral to Jewish and Christian religious experience Remembering the Future makes a notable contribution to interreligious studies and liturgical studies It sheds light on essential aspects of religious experience and finds that the intimacy of the experience of time grants it the capacity to communicate across religious boundaries subtly transgressing obstacles to interreligious understanding **The Sabbath Soul** Eitan Fishbane, PhD, 2012-01-24 Enter into the mystery of the Sabbath into the wonder and light of the seventh day We live in a world dominated by speed and distraction with demands for our attention at every turn We frequently forget the restorative blessing of stillness our desperate need for rest a rest that brings us back to the center of existence a calm that allows us to reconnect with the divine breath at the soul of All from the Introduction Enrich your spiritual experience of Shabbat by exploring the writings of mystical masters of Hasidism Drawing from some of the earliest teachings in the family of the Ba al Shem Tov through late nineteenth century Poland and the homilies of the Sefat Emet Eitan Fishbane evokes the Sabbath experience from candle lighting and donning white clothing to the Friday night Kiddush and the act of sacred eating Fishbane also translates and interprets a wide range of Hasidic sources previously unavailable in English that reflect the spiritual transformation that takes place on the seventh day one that can shift your awareness into the realm that is all soul Personal prayers of the Bratzlav Breslov Hasidic tradition express the spiritual dimension of Shabbat in the language of devotional and individual yearning **Jewish Liturgical Reasoning** Steven Kepnes, 2007-11-01 Liturgy a complex interweaving of word text song and behavior is a central fixture of religious life in the Jewish tradition It is unique in that it is performed and not merely thought Because liturgy is performed by a specific group at a specific time and place it is mutable Thus liturgical reasoning is always new and understandings of liturgical practices are always evolving Liturgy is neither preexisting nor static it is discovered and revealed in every liturgical performance Jewish Liturgical Reasoning is an attempt to articulate the internal patterns of philosophical ethical and theological reasoning that are at work in synagogue liturgies This book discusses the relationship between internal Jewish

liturgical reasoning and the variety of external philosophical and theological forms of reasoning that have been developed in modern and post liberal Jewish philosophy Steven Kepnes argues that liturgical reasoning can reorient Jewish philosophy and provide it with new tools new terms of discourse and analysis and a new sensibility for the twenty first century The formal philosophical study of Jewish liturgy began with Moses Mendelssohn and the modern Jewish philosophers Thus the book focuses in its first chapters on the liturgical reasoning of Moses Mendelssohn Hermann Cohen and Franz Rosenzweig However it attempts to augment and further develop the liturgical reasoning of these figures with methods of study from Hermeneutics Semiotic theory post liberal theology anthropology and performance theory These newer theories are enlisted to help form a contemporary liturgical reasoning that can respond to such events as the Holocaust the establishment of the State of Israel and interfaith dialogue between Jews Christians and Muslims Secularism and Religion in Jewish-Israeli Politics Yaacov Yadgar, 2010-07-28 Offering a fresh approach to the study of contemporary Jewish identity the author explores the implications of this identity from the perspective of traditionism covering issues of religion tradition modernity and secularisation within Jewish Israeli society and politics *Gates of the Seasons* Peter S. Knobel, 1983 A survey of the sacred days of the Jewish yearly cycle providing detailed guidance on observing the Sabbath and the Jewish holidays including Yom Ha shoah Holocaust Day and Yom Ha Atsmaut Israeli Independence Day Provides historical background essays a 25 year calendar of holidays extensive notes bibliography glossary and index
