In addition, the questions related to the fact that Qadar does not give anybody any discomfort or strain; on the contrary, it provides a perfect ease of mind and convenience and to the reconciliation of the ugliness of the troubles, evils that we see in the world with the fact that everything coming from Qadar is good, are answered with such a proficiency that has not been witnessed in the history of Islam. In this book you will see the explanations in relation to the essence of Qadar and Free Will, how they could be reconciled, the meaning of the belief in Qadar for human life and the evidences of the existence of Qadar. Moreover, you will witness the harmonious friendship of a

persuasive crystal clear and fluent style with the logical inferences satisfying both mind and the heart This work is part of our source book Journey of Discovery for an Extraordinary Treasure Risale i Nur Training Program over which our Journeys of Discovery Risale i Nur Training Program is based and it is The Truth of Divine Determining and Free Will which is the Fifth Truth of the six truths in that Book s the second part called Proving the Treasury of Faith with Evidences We strongly suggest and present this book to those who regularly read Risale i Nur as well as to those who want to get some information for the first time The epilogue of our book which is entitled Your Journey Just Begins Now is also included in this work as it contains emotional striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of Risale i Nur and attendance to the Risale i Nur Lectures We have to state and admit the following sincerely although we did not have any idea about what to write before explanatory notes came into the being every time without any exception we were astonished by the resultant texts and realized that we had never understood these issues this clear before While controlling the texts we had great joy and pleasure and we were reading the texts as if they were written by someone else The writings were helping us in an unexpected way in overcoming our greatest distresses giving us a strong state of faith Because what we were writing was talking about eternal truths of faith and Quran and they were having such qualities which were having much more different than a work presented with the individual proficiency and capability of a person Therefore the beauty and the excellence of these truths must have been reflected in our word as well For sure we were pursuing an immensely difficult and tedious effort sometimes it was taking 3 5 hour to complete 1 2 pages of explanatory notes We were spending an equal amount of time for footnotes and the glossary of concepts But the feeling of joy happiness and spiritual satisfaction were exceedingly worth this effort At this stage we realized and felt the reason behind Bedi zzaman s saying I am also a student of Risale i Nur I am your classmate in learning the Teachings of Quran I am also in need of Risale i Nur And we understood that he was not trying to be humble while saying this Although we had an humble purpose of conducting to a higher level of our comprehension than the reader could get on his or her own we achieved better results than our expectations All praise is due to Allah so we praise him In deed our share is only that of praising Now if you look at our personality you may not see much value This is normal because neither could we see any What we see is just this our weakness in our distressed search our needs our sincere wishes and our actual prayers prayers supported with actions As a requirement of being a human we wanted to share what we had found and felt with those who had the same needs and who were in the same search This is what we mean when we say that we are not like a teacher who makes you sit before her and starts teaching you Maybe rather we are like a guest who himself is entreated a dining table as he is as hungry and needy as everybody and he is sincerely inviting you to this dining table Or maybe we are like a curious kid who has found the key of a magnificent and inexhaustible treasure and who wants to inform others of its existence and share it with them WHY A VISUAL INTERACTIVE BOOK Reading and watching the written truths in a verbal and visual format with additional

explanations not provided in our book enables you to better understand and feel them In this way you are following the most fruitful method in understanding the knowledge of faith which cannot be understood just with intellect but rather are felt truths and in opening the door for new perspectives for them We keenly believe that with this method of reinforcement Allah willing highest level of benefit will be realized in terms of understanding Risale i Nur and the universe When you open Pdf document on your computer with Adobe Reader you can read it better by choosing two pages option and zooming in Since full screen mode of the Microsoft Word changes the places of the visuals you should read it in page format by zooming in We would rather prefer if you would download it in Pdf format and read it with Adobe Acrobat due to both its small size and readability it in this way It is possible to click links and open the word and Pdf files and videos within this interactive book in your computers and cell phones In your cell phone use Wps Office for Word and Adobe Acrobat Reader for Pdf files Wps Office is a useful program which opens the footnotes when clicked upon but it can t open the links in this way For this reason we suggest that you use Adobe Acrobat Reader in order to benefit from the interactive features of the book

W. Gortner,2016-02-09 For fans of Philippa Gregory and Alison Weir bestselling author C W

Gortner effortlessly weaves history and drama in this captivating novel about one of the world's most notorious families. Glamorous and predatory, the Borgias fascinated and terrorized fifteenth-century Renaissance Italy, and Lucrezia Borgia, beloved daughter of the pope, was at the center of the dynasty's ambitions. Slandered as a heartless seductress who lured men to their doom, was she in fact the villainess of legend, or was she trapped in a familial web forced to choose between loyalty and survival? With the ascension of the Spaniard Rodrigo Borgia as Pope Alexander VI, a new era has dawned in Rome. Benefitting from their father's elevation are the new pope's illegitimate children: his rival sons Cesare and Juan, and beautiful young daughter Lucrezia, each of whom assumes an exalted position in the papal court. Privileged and adored, Lucrezia yearns to escape her childhood and play a part in her family's fortunes. But Rome is seductive and dangerous. Alliances shift at a moment's notice as Italy's ruling dynasties strive to keep rivals at bay. As Lucrezia's father faces challenges from all sides, the threat of a French invasion forces him to marry her off to a powerful adversary. But when she discovers the brutal truth behind her alliance, Lucrezia is plunged into a perilous gambit that will require all her wits, cunning, and guile. Escaping her marriage offers the chance of happiness with a passionate prince of Naples, yet as scandalous accusations of murder and incest build against her, menacing those she loves, Lucrezia must risk everything to overcome the lethal fate imposed upon her by her Borgia blood.

Beautifully wrought, rich with fascinating historical detail, *The Vatican Princess* is the first novel to describe Lucrezia's coming of age in her own voice. What results is a dramatic, vivid tale set in an era of savagery and unparalleled splendor, where enemies and allies can be one and the same, and where loyalty to family can ultimately be a curse. Praise for *The Vatican Princess*: In a literary exploration riven with Shakespearean quantities of murder, lies, deceptions, and treachery, Gortner's narrative gains veracity with his atmospheric exploration of fashion, architecture, and art on the stage of loud, filthy, and dangerous Rome. Gortner has imagined Lucrezia Borgia's life from a feminist perspective. Kirkus Reviews: Gortner has invested his novel with impressive historical detail that is woven neatly into the threads of the story, and his afterword and references offer excellent insight. *Historical Novels Review*: Assiduously researched and expertly crafted, this novel takes readers inside the treacherous world of the Borgias, one of history's most dysfunctional ruling families, and brings to life the sympathetic and freshly imagined character of their leading lady, Lucrezia. This unholy plunge into Rome's darkest dynasty is wholly engrossing. Allison Pataki, *New York Times* bestselling author of *Sisi: Empress on Her Own*. The world of Renaissance Italy is vividly brought to life. I'm captivated by this knowledgeable author's take on the controversial Borgias. Alison Weir, *New York Times* bestselling author of *Katherine of Aragon: The True Queen*. Impressive research, a lush background, and deft characterization of these turbulent times make for a fascinating read. Margaret George, *New York Times* bestselling author of *Elizabeth I*.
