Jaqueline Girdner, 2014-04-01 Kate Jasper Marin County California's own organically grown amateur sleuth returns in this eighth mystery in the series In A Cry for Self Help Kate Jasper and her sweetie take the plunge and join a Wedding Ritual Class hoping to find inspiration for their own possible nuptials On a field trip to observe a scuba diving marriage ceremony Sam Skyler the man who has become a living legend as a human potential guru is not propelled into marriage but is instead pushed over an oceanside cliff to his death Sam Skyler practiced finger puppet therapy at the Skyler Institute for Essential Manifestation He was purported to be a man of psychic sensitivity and personal genius So how come he did not notice the person who pushed him Kate is once again wedded to an inconvenient murder rather than to her sweetie Can she get a simple annulment from the case or will it be a fatal one **The Last Resort** Jaqueline Girdner, 2014-04-01 Kate Jasper Marin County California s own organically grown amateur sleuth is back in this second mystery in the series The good news in The Last Resort is that Kate has finally divorced her husband Craig and is enjoying a platonic friendship with her now ex husband happy in her own new love life The bad news is that Craig has been dating his divorce attorney Suzanne Sorenson Suzanne is everything Kate is not tall blond elegant ambitious and ruthless And now Suzanne is dead as well strangled on her late night jog while vacationing with Craig at a vegetarian health resort Craig is suspected of Suzanne's murder by the local police and begs Kate to help exonerate him Kate reluctantly agrees and checks herself into Spa Sante to investigate Raw **Sequels** Janet G. Adjusted to Death Jaqueline Girdner,2014-04-01 Meet Kate Jasper Marin County California's own organically grown amateur sleuth She's smart funny vulnerable and unpretentious says Marilyn Wallace editor of the Sisters in Crime series In this first Kate Jasper mystery Kate visits her chiropractor for a simple spinal adjustment but instead finds a dead man on one of the tables dead of a broken neck And it seems everyone in the chiropractor's office knew the victim Scott Younger in one way or another except for Kate herself Maggie Kate's friend and chiropractor has known Scott for years as has her staff Her receptionist Renee even dated him Devi knew Scott from college Guru follower Valerie accuses Scott of being a drug pusher And Wayne Scott's now unnecessary bodyguard a shy homely man who almost makes Kate forget her husband has left her knew him the best of all But Kate can't forget murder especially since Wayne is the main suspect And there is the pesky matter of Kate's fingerprints on the metal bar that broke Scott Younger's neck Kate Jasper's in for a spine tingling bone chilling adventure Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in

the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Death Hits the Fan** Jaqueline Girdner, 2014-04-01 Kate Jasper Marin County California's own organically grown amateur sleuth returns in this ninth mystery in the series Kate and her sweetie visit Ivan Nakagawa's bookstore for an author signing in Death Hits the Fan The event features three authors and only a few more audience members but the small audience does not stop Yvette Cassell from reading on and on as fellow author S X Shayla Greenfree's eyelids droop and she slumps forward Kate is shocked by Shayla's novel approach to boredom But it turns out that Shayla is not just dozing she is dead Is the murderer's unique signature the bracelet that Shayla snapped on before falling over The police read an accusation into Shayla's last utterance of Kate I before Shayla slumped But Kate did not even know Shayla Or did she The handwriting is on the wall Can Kate read it before the murderer plots a sequel **Dead** Jaqueline Girdner, 2014-04-01 Kate Jasper Marin County California's own organically grown amateur sleuth returns in this fifth mystery in the series Kate's sweetie has finally moved his malevolent mother Vesta out of their house and into her own condo in Tea Totally Dead But Vesta uses her new home to host a family reunion for each and every member of her extended family Attendance is compulsory even for Kate Vesta baits insults and slanders all the guests but her UFO abductee roommate Harmony until after dinner tea time Vesta cannot interest anyone else in her private blend of herbal tea which gives off the pungent bouquet of brewed sweat socks Luckily for them since the tea also has an extra infusion of poison that evening By the following morning Vesta is as dead as any affection her family might have held for her And it is up to Kate to find the real fiend of the family These Fleeting Shadows Kate Alice Marshall, 2022-08-09 The Haunting of Hill House meets Knives Out in a bid for an inheritance that will leave Helen Vaughan either rich or dead Helen Vaughan doesn t know why she and her mother left their ancestral home at Harrowstone Hall called Harrow or why they haven t spoken to their extended family since So when her grandfather dies she s shocked to learn that he has left everything the house the grounds and the money to her The inheritance comes with one condition she must stay on the grounds of Harrow for one full year or she ll be left with nothing There is more at stake than money For as long as she can remember Harrow has haunted Helen s

dreams and now those dreams have become a waking nightmare Helen knows that if she is going to survive the year she needs to uncover the secrets of Harrow Why is the house built like a labyrinth What is digging the holes that appear in the woods each night And why does the house itself seem to be making her sick With each twisted revelation Helen questions what she knows about Harrow her family and even herself She no longer wonders if she wants to leave but if she can
