## Sensual Home:

**The Sensual Home** Ilse Crawford, 1998 Interior decoration creating private havens that soothe and enhance each of the senses **The Sensual Home** Ilse Crawford, 1997 Sensual Home Ilse Crawford, 1997 *Event Planning* Judy Allen, 2009-04-16 This bestselling all in one guide to the event planning business is back and better than ever fully updated and revised to reflect the very latest trends and best practices in the industry This handy comprehensive guide includes forms checklists and tips for managing events as well as examples and case studies of both successful and unsuccessful events Judy Allen Toronto ON Canada is founder and President of Judy Allen Productions a full service event planning production company **The senses in interior design** John Potvin, Marie-Ève Marchand, Benoit Beaulieu, 2023-09-05 The senses in interior design examines how sight touch smell hearing and taste have been mobilised within various forms of interiors The chapters explore how the body navigates and negotiates the realities of designed interiors and challenge the traditional focus on star designers or ideal interiors that have left sensorial agency at the margins of design history From the sensually gendered role of the fireplace in late sixteenth century Italy to the synaesthetic d cors of Comte Robert de Montesquiou and the sensorial stimuli of Aesop stores each chapter brings a new perspective on the central role that the senses have played in the conception experiences and uses of interiors *Transforming Work* Patricia Boverie, Michael Kroth, 2008-01-07 In this age of stiff competition and free agency no organization can afford to take its employees for granted The new labor market landscape is forcing organizations to think creatively about how to inject passion in the workplace and motivate their employees to find meaning in their work In *Transforming Work* Boverie and Kroth draw from their extensive research and experience in the field to show executives HR professionals and students how to create inspiring employee friendly work environments in order to capture develop and retain talent and transform both the employees and the organization in the process Gastrophysics Charles Spence, 2017-06-20 The science behind a good meal all the sounds sights and tastes that make us like what we re eating and want to eat more Why do we consume 35 percent more food when eating with one other person and 75 percent more when dining with three How do we explain the fact that people who like strong coffee drink more of it under bright lighting And why does green ketchup just not work The answer is gastrophysics the new area of sensory science pioneered by Oxford professor Charles Spence Now he s stepping out of his lab to lift the lid on the entire eating experience how the taste the aroma and our overall enjoyment of food are influenced by all of our senses as well as by our mood and expectations The pleasures of food lie mostly in the mind not in the mouth Get that straight and you can start to understand what really makes food enjoyable stimulating and most important memorable Spence reveals in amusing detail the importance of all the off the plate elements of a meal the weight of cutlery the color of the plate the background music and much more Whether we re dining alone or at a dinner party on a plane or in front of the TV he reveals how to understand what we re tasting and influence what others experience This is accessible science at its best fascinating

to anyone in possession of an appetite Crammed with discoveries about our everyday sensory lives *Gastrophysics* is a book guaranteed to make you look at your plate in a whole new way Official Gazette of the United States Patent and Trademark Office ,1999 **Popular Photography** ,1995-04 A Religion of One's Own Thomas Moore,2015-01-06 The New York Times bestselling author and trusted spiritual adviser offers a follow up to his classic *Care of the Soul* Something essential is missing from modern life Many who ve turned away from religious institutions and others who have lived wholly without religion hunger for more than what contemporary secular life has to offer but are reluctant to follow organized religion s strict and often inflexible path to spirituality In *A Religion of One s Own* bestselling author and former monk Thomas Moore explores the myriad possibilities of creating a personal spiritual style either inside or outside formal religion Two decades ago Moore s *Care of the Soul* touched a chord with millions of readers yearning to integrate spirituality into their everyday lives In *A Religion of One s Own* Moore expands on the topics he first explored shortly after leaving the monastery He recounts the benefits of contemplative living that he learned during his twelve years as a monk but also the more original and imaginative spirituality that he later developed and embraced in his secular life Here he shares stories of others who are creating their own path a former football player now on a spiritual quest with the Pueblo Indians a friend who makes a meditative practice of floral arrangements and a well known classical pianist whose audiences sometimes describe having a mystical experience while listening to her performances Moore weaves their experiences with the wisdom of philosophers writers and artists who have rejected materialism and infused their secular lives with transcendence At a time when so many feel disillusioned with or detached from organized religion yet long for a way to move beyond an exclusively materialistic rational lifestyle *A Religion of One s Own* points the way to creating an amplified inner life and a world of greater purpose meaning and reflection The Oxford Handbook of Material Culture Studies Dan Hicks,Mary C. Beaudry,2010-09-02 Written by an international team of experts the Handbook makes accessible a full range of theoretical and applied approaches to the study of material culture and the place of materiality in social theory presenting current thinking about material culture from the fields of archaeology anthropology geography and science and technology studies

**Fieldwork for Design** David Randall,Richard Harper,Mark Rouncefield,2007-04-24 This book looks at why ethnographic approaches have been turned to in the design of computing devices for the workplace for the home and elsewhere It presents a history of ethnography both as it was practiced before computer science picked it up and since most especially in the CSCW and HCI domains It examines further the various ethnographic or fieldwork frameworks currently popular explaining and examining what each claims and entails The focus of the book throughout is on the practical relationship between theory and practice a relationship that is often misunderstood yet fundamental to successful design The book is illustrated with real examples from the authors various experiences in academic and commercial settings reporting on the use of ethnography before during and after design innovation and implementation The result is a book that provides the working knowledge

necessary for using any kind of ethnographic approach in the design of computer technologies **American Photo**, 1994-05 **Travels with my Daughter** Niema Ash, 2001-10-01 You could say I had an unconventional upbringing At the age of four I was sharing my bedroom with Bob Dylan and by the time I was fifteen I had been taken out of school to go traveling and was smoking joints with my mother Some may be shocked at the adventures mother and daughter share but everyone will admire Niema's celebration of travel motherhood and life itself as this honest and often humorous account describes how she copes with The overwhelming desire to travel which conflicts with the responsibilities of motherhood Finding the confidence to believe in herself and her instincts Being a single mother in the sixties while mixing with some of the most talented poets and musicians of our time including Bob Dylan Leonard Cohen Irving Layton Seamus Heaney and Joni Mitchell Developing a unique mother daughter bond that many only dream about This book will touch a hidden nerve in everyone who reads it as it turns a world of convention and protocol upside down **Index of Trademarks Issued from the United States Patent and Trademark Office**, 1992 **Moving on** Sarah Ban Breathnach, 2006 The author offers an inclusive inspirational guide to help readers understand themselves and use their insights to accept change and move on after life changing events **The RIP** James Bèyor, 2016-06-03 The Quest To pass through conscript meaning enter the emotional sensorial parallel feel deeply and bring forth the full essence of whole consciousness Born With Five Perfectly Balanced Senses the human mind is bathed in dynamic sensing In mathematical terms this represents five to the fifth power conscious awareness Are you aware that the creature being exists within an encoded emotional first voice that is immediately activated at birth Is Fear Your Friend or Enemy When fear is your enemy you lose your essence Did you know that knowledge has no essence Do You Think Your Feelings Belong To You They do not via psychological implant losses or gains are predetermined circumstances governed by the word sanction given to others What Makes The Idea Of Truth a Hypocrisy Can you define fact as anything more than mental impasse or define truth as more than paradoxical conscription The Word Language is a mono dimensional syllabus and noun verb inversion that is unfit for an essenced creature the human being Are you using your first voice to access total consciousness rather than remembering performance rated acts How do you stimulate and use this natural treasure Once you learn how to enter the world of emotion your feelings will evolve and take flight The RIP will remain as one of the most important fresh and poignant works to eclipse this century Until you read The RIP who and what you are will never be as clear *Aesthetics and Modernity* Agnes Heller, 2011-01-01 Aesthetics and Modernity brings together Agnes Heller's most recent essays on aesthetic genres such as painting music literature and comedy aesthetic reception and embodiment in the context of the continuing pitfalls of modernity The essays also throw light on Heller's theories of values emotions and feelings embodiment and modernity Those with an interest in philosophy critical theory aesthetics and social theory will find this collection illuminating and an essential addition to any philosophy bookshelf **Exploring Everyday Life** Billy Ehn, Orvar Löfgren, Richard Wilk, 2015-07-23 The numerous tasks and routines that shape

our daily existence can seem mundane even invisible and yet they play an extremely powerful role in structuring and reproducing society Exploring Everyday Life casts light on these so called trivialities serving as both a guide to the invisible world of the everyday and an instruction manual for first time explorers Ehn Lofgren and Wilk demonstrate how to use a broad array of ethnographic tools to discover map and document new and unexplored territories and guide readers through the process of cultural analysis Their concrete examples shed light on how a study or paper assignment can evolve and point to how cultural analysis of everyday life can be practically applied in business government and other arenas outside of academia

**Rock On** Stella Fosse, 2025-08-11 When Stella Fosse awoke on her sixtieth birthday she was surprised that nothing had changed She had crossed the line from Princess to Crone but contrary to stereotypes she swam four times a week had lovers and a thriving career Why had no one told her that life after sixty could be this good For the next decade Fosse wrote about every topic she wished someone had shared with her at sixty from creativity and beauty to purpose and power The essays collected in Rock On will inspire readers to Reignite their creative spark Enjoy the body they have now Advocate for better healthcare Make confident powerful money choices Cultivate a juicy purposeful life Power Pleasure and Purpose After Sixty Every year two million women in the U S turn 65 and most will live for another twenty years or more Far from winding down this chapter of life can be a powerful new beginning With careers and full time parenting in the rearview mirror women have the freedom to rediscover their vitality purpose and wild creative spark Featuring inspiring profiles of trailblazing women and thought provoking questions for reflection this book invites every reader to become the woman she was always meant to be No more holding back this is your time to rise reclaim and reinvent Rock On is the essential guidebook to embrace the challenges and celebrate the possibilities of life after sixty Fans of Ashton Applewhite's This Chair Rocks will find a bold invitation to reject ageist stereotypes and live out loud Like Joan Price's Naked at Our Age Rock On celebrates the beauty and pleasure of women's bodies exactly as they are And in the spirit of Julia Cameron's It's Never Too Late to Begin Again it lights the way back to joy curiosity and creative freedom This is not the end of the story It's the start of something extraordinary
