Lucy's Wish: A Christmas Vampire Romance Anna Winter, 2016-12-22 Lucy has one great wish she wants to find the vampire of her dreams So it's obvious she would put this heartfelt desire right at the top of her Christmas wish list again It's annoying Santa hasn't been very helpful up till now and apart from Lucy no one seems to know of the existence of vampires But she saw him with her own eyes when she was a child and he saved her from drowning After Lucy's first boyfriend turns out to be a complete loser it seems like there can only be one real man for her her guardian angel But how on earth is she supposed to find him On top of that her best friend Pia keeps trying to interest her in normal men And then there's Adam an incredibly sweet guy she can't get out of her head since he almost kissed her Really life could be a lot simpler and Christmas is right around the corner Interview with the Author How would you describe Lucy's Wish Lucy's Wish is a humorous love story which captures the hopeful atmosphere and romance of Christmastime Anything is possible isn't it And how do we envision the world in which Lucy lives A bit like our world So it isn't ruled by vampires but they exist in secret vampires werewolves ghosts and a few other types of creatures So in the midst of the magic of Christmas there is also another magic A touch a fantasy in our midst Is it part of a series or a standalone novel Both Lucy's Wish is complete in its own right but I have two more winter romances planned for the coming winters in which the reader will again encounter Lucy's friends and the affairs of their hearts They will all be characterized by wishes dreams and hopes What made you write Lucy's Wish My readers I made a survey and a whole lot of people took part In the responses a Christmas vampire romance was frequently requested *Love Guide* Joshua Ayo Oyeboade, Prince, Good Publications International, 2005 New ideas and secrets to make you happy in your love life modern day dangers of Internet dating *410 Unique Sutras Mystical Keys to Vedic Astrology* Saket Shah, 2025-07-01 Dear Seeker of the Stars These 410 Sutras are whispers from the silent spaces where

planets nakshatras and karma meet They were not gathered from any one book or master but woven like a secret garland from the timeless soil of ancient knowing and the gentle echoes of my own searching heart Each line is a doorway not to predict your life like a prisoner of fate but to remind you that every chart is a mirror every planet a teacher every moment an opportunity to rewrite old codes You may find some sutras soothing others unsettling Let them be The truths that disturb us are often the ones we came here to remember If a single verse cleanses a fear untangles a knot or lights a lamp in your hidden corridors then these pages have done their secret work Do not hold these secrets too tightly Astrology is not a cage but a key and the stars themselves are not masters but friends on your endless journey back to your own light May these sutras travel far and wide yet may they remain hidden in the only place that truly matters your awakened unchained heart With reverence for your path Saket Shah Keeper of the Silent Stars
