emphasize what remained clothed albeit in tiny wisps of material By taking up the bikini as popular beachwear women also found themselves thinking differently about their bodies An ideal of perfection was reinforced by the appearance on the cinema screen of stars such as Marilyn Monroe Brigitte Bardot and Ursula Andress all of whom were featured in bikinis that accentuated their own curvaceous contours More than a bathing costume the bikini made its own contribution during the 1970s to the sexual revolution and to the changing relationship between men and women in general This book investigates the history of the bikini and its effect on the evolution in the perception of women in society as women regained responsibility for the way they look and laid claim once more to full sexual equality A collection of images throughout this book illustrates this progression step by step over a period of more than 50 years Cosmopolitan ,1995-07 *Bahamas*, 2010 Fodor's,2009-10 Detailed and timely information on accommodations restaurants and local attractions highlight these updated travel guides which feature all new covers a dramatic visual design symbols to indicate budget options must see ratings multi day itineraries Smart Travel Tips helpful bulleted maps tips on transportation guidelines for shopping excursions and other valuable features Original **Pigs Can't Swim** Helen Peppe,2025-05-01 An outrageous hilarious and touching memoir by the youngest of nine children in a hardscrabble beyond eccentric Maine family With everything happening on Helen Peppe s backwoods Maine farm life was wild and not just for the animals Sibling rivalry rock bottom poverty feral male chauvinism sex in the hayloft everything seemed and was out of control In telling her wayward family tale Peppe manages deadpan humor an unerring eye for the absurd and poignant compassion for her utterly overwhelmed parents While her feisty resilience and candor will inevitably remind readers of Jeannette Walls or Mary Karr Peppe s wry insight and moments of tenderness with family and animals are entirely her own As Richard Hoffman the author of *Half the House* A Memoir puts it *Pigs Can't Swim* is an unruly joyous troublemaker of a book At Swim, Two Boys Jamie O'Neill,2002-04-01 Praised as a work of wild vaulting ambition and achievement by Entertainment Weekly Jamie O'Neill s first novel invites comparison to such literary greats as James Joyce Samuel Beckett and Charles Dickens Jim Mack is a naive young scholar and the son of a foolish aspiring shopkeeper Doyler Doyle is the rough diamond son revolutionary and blasphemous of Mr Mack s old army pal Out at the Forty Foot that great jut of rock where gentlemen bathe in the nude the two boys make a pact Doyler will teach Jim to swim and in a year on Easter of 1916 they will swim to the distant beacon of Mullins Rock and claim that island for themselves All the while Mr Mack who has grand plans for a corner shop empire remains unaware of the depth of the boys burgeoning friendship and of the changing landscape of a nation Set during the year preceding the Easter Uprising of 1916 Ireland s brave but fractured revolt against British rule *At Swim Two Boys* is a tender tragic love story and a brilliant depiction of people caught in the tide of history Powerful and artful and ten years in the writing it is a masterwork from Jamie O'Neill Bond Girls Monica Germanà,2019-10-03 Since Ursula Andress s white bikini debut in *Dr No* Bond Girls have been simultaneously celebrated as fashion icons and dismissed as eye candy But the

visual glamour of the women of James Bond reveals more than the sexual objectification of female beauty Through the original joint perspectives of body and fashion this exciting study throws a new subversive light on Bond Girls Like Coco Chanel fashion s eternal mademoiselle these Girls are synonymous with an unconventional and dynamic femininity that does not play by the rules and refuses to sit still far from being the passive objects of the male gaze Bond Girls active bodies instead disrupt the stable frame of Bond s voyeurism Starting off with an original re assessment of the cultural roots of Bond s postwar masculinity the book argues that Bond Girls emerge from masculine anxieties about the rise of female emancipation after the Second World War and persistent in the present day Displaying parallels with the politics of race and colonialism such tensions appear through sartorial practices as diverse as exoticism power dressing and fetish wear which reveal complex and often contradictory ideas about the patriarchal and imperial ideologies associated with Bond Attention to costume film and gender theory makes Bond Girls Body Gender and Fashion essential reading for students and scholars of fashion media and cultural studies and for anyone with an interest in Bond
