**Romantic Love in Cultural Contexts** Victor Karandashev,2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world s cultures Yet love displays in different ways because culture has an impact on people s conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and

pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations Flix Neto Professor of Psychology Faculdade de Psicologia e de Ciências da Educação Universidade do Porto Portugal Fables for the Patriarchs Jowen R. Tung, 2000 Exploring issues of gender in Tang dynasty literature and culture Jowen R Tung draws on a comprehensive range of historical literary and social texts to unravel the complex mechanisms of one of the world's oldest patriarchal systems The author reveals the profound damage inflicted by the masculine state ideology on its subjects by illuminating the problematics of male sexuality under the hovering phallus of the emperor the construct of male and female psyches within the pseudo monogamous household the logic of the collective unconscious in the literati's writings and a female tradition desperately trapped inside the law of the father Tung poses urgent questions about a civilization that builds itself upon the sacrifice of human lives and arrives at a rather dark interpretation of the Tang\_ for many the epitome of the Chinese empire As such the book moves beyond the confines of gender studies to propose a heightened agenda for feminist studies which the author argues now stand at a critical conjecture **The Wife, the Maid, and the Mistress** Ariel Lawhon, 2014-01-28 From the New York Times bestselling author of *I Was Anastasia* and *The Frozen River* comes a genuinely surprising whodunit USA Today that tantalizingly reimagines a scandalous murder mystery that rocked the nation One summer night in 1930 Judge Joseph Crater steps into a New York City cab and is never heard from again Behind this great man are three women each with her own tale to tell Stella his fashionable wife the picture of propriety Maria their steadfast maid indebted to the judge and Ritzi his showgirl mistress willing to seize any chance to break out of the chorus line As the twisted truth emerges Ariel Lawhon's wickedly entertaining debut mystery transports us into the smoky jazz clubs the seedy backstage dressing rooms and the shadowy streets beneath the Art Deco skyline Don't miss Ariel Lawhon's new book *The Frozen River* **His 1-800 Wife (The Ballantines Series - Book 2)** Shirley Hailstock, 2015-01-19 Catherine Carson didn't think there was an ideal man out there And the last one she would have picked for the job was Jarrod Ballantine He'd been a thorn in her side since she was a child but he'd also been with her when life was at its roughest Convincing him to be her husband proved an easier task than stopping herself from becoming his wife Fed up with her meddling family Catherine has the perfect plan make a deal with a nice unexciting guy who would agree to marry her for six months then divorce And she knew her childhood friend Jarrod Ballantine was just the perfect man for the job until he sparked a completely unexpected desire Now Catherine must discover what she really wants to find everything she's ever dreamed of Our hearts.
