Sentence Combining William Strong,1983 *Sentence Combining* Donald A. Daiker,Andrew Kerek,Max Morenberg,1985 Twenty three stimulating papers includ ing essays by Peter Elbow Donald Murray and William Strong selected from the more than sixty presented at the Second Miami University Confer ence on Sentence Combining and the Teaching of Writing Sentence combining has not only sur vived the paradigm shift in the teaching of writing but continues to stimulate provocative creative thinking about the writing process itself No longer an end in itself but a tool sentence combining has become a method of teaching about ways of thinking of perceiving and of organizing reality **Sentence Combining; Improving Student Writing Without Formal Grammar Instruction** Frank O'Hare,1973 Sentence Combining William Strong,1973 **Instructor's Manual for Sentence Combining** William Strong,1973 **Teaching Composition** Gary Tate,1987 **Sentence Combining** William Strong,1993-09-01 **Improving the Expository Writing Skills of Adolescents** Robert J. Kanellas,James Carifio,Lorraine Dagostino,1998 Although sentence combining researchers acknowledge the importance of syntax to discourse transfer their treatments have achieved it in varying degrees through unclear procedures Improving the Expository Writing Skills of Adolescents suggests effective strategies for contextualizing learning in the English language arts focusing on a novel method of syntax instruction called discourse function sentence combining The language arts objectives are integrated with ninth grade biology materials *Practical Ideas for Teaching Writing as a Process* Carol B. Olson,1996-02 Contains a collection of specific classroom strategies suggestions for teaching writing to elementary school students according to an eight stage process Specific techniques for teaching each stage of the writing process descriptions of proven approaches for using these techniques are also included A wonderful resource a labor of love from a large talented group of educators Had its beginnings in the California Writing Project at the Univ of California Irvine Best Seller Illustrated **Composing and Comprehending** ,1987 *Resources in Education* ,1997 1977 Brent Henze,Jack Selzer,2008-02-20 A product of extensive archival research and numerous interviews 1977 A Cultural Moment In Composition examines the local state and national forces economic political cultural and academic that fostered the development of the first year composition program at one representative site Penn State University in the late 1970s **Microhistories of Composition** Bruce McComiskey,2016-04-01 Writing studies has been dominated throughout its history by grand narratives of the discipline but in this volume Bruce McComiskey begins to explore microhistory as a way to understand enrich and complicate how the field relates to its past Microhistory investigates the dialectical interaction of social history and cultural history enabling historians to examine uncommon sites objects and agents of historical significance overlooked by social history and restricted to local effects by cultural history This approach to historical scholarship is ideally suited for exploring the complexities of a discipline like composition Through an introduction and eleven chapters McComiskey and his contributors including major figures in the historical research of

writing studies such as Louise Wetherbee Phelps Kelly Ritter and Neal Lerner develop focused narratives of particular significant moments or themes in disciplinary history They introduce microhistorical methodologies and illustrate their application and value for composition historians contributing to the complexity and adding momentum to the emerging trend within writing studies toward a richer reading of the field's past and future Scholars and historians of both composition and rhetoric will appreciate the fresh perspectives on institutional and disciplinary histories and larger issues of rhetorical agency and engagement enacted in writing classrooms that are found in *Microhistories of Composition* Other contributors include Cheryl E Ball Suzanne Bordelon Jacob Craig Matt Davis Douglas Eyman Brian Gogan David Gold Christine Martorana Bruce McComiskey Josh Mehler Annie S Mendenhall Kendra Mitchell Antony N Ricks David Stock Kathleen Blake Yancey Bret Zawilski and James T Zebroski

Research in Basic Writing Martin Jacobi, Michael G. Moran, 1990-02-15 This reference handbook surveys research on the central issue associated with the teaching of unprepared writers Though basic writing has only been recognized as a distinct area of teaching and research since 1975 the existing bibliographic texts already seem limited due to their age or lack of annotation This volume provides current and extensive bibliographic essays and will help to define this new field of study for teachers and researchers Following an introduction that summarizes the origins and significant texts in basic writing the book is divided into three sections Social Science Perspectives Linguistic Perspectives and Pedagogical Perspectives The first section which contains three essays views the field through the lens of social psychological and political issues The second section also containing three essays examines contributions made from studies of grammar dialects and second language acquisition The third section in its four essays focuses on the design development administration and evaluation of basic writing courses the use of computers in basic writing classrooms the role of the writing lab and the preparation of basic writing teachers An appendix that reviews current textbooks for basic writing courses is also included as well as an index This book will be a valuable resource for teachers of basic writing in education courses and workshops that train teachers and tutors and in fields such as linguistics technical writing and Teaching English as a Second Language It will also be an important addition to public and university libraries and many education programs

Why Johnny Can't Write Myra J. Linden, Arthur Whimbey, 2012-12-06 The authors of this book both experienced teachers examine the controversy surrounding two popular methods for teaching writing the process approach and its offspring Writing Across the Curriculum Both have recently been called into question for their ineffectiveness An alternative lesser known procedure called sentence combining which has been proven successful in numerous studies over the past fifteen years finally is gaining the attention it deserves Using the sentence combining approach the authors present a rationale for re thinking and re tooling the English classroom and consequently making the entire educational system work more effectively This book is useful for teachers at any level especially those involved in writing instruction It is also worthwhile reading for those wishing to improve their writing skills Doing the sample exercises will strengthen writing skills and provide

a solid foundation for a lifelong program of language growth *Evaluating College Writing Programs* Stephen Paul Witte, Lester Faigley, 1983 Noting that present evaluation systems are so limited that they are neither reliable nor valid this monograph critically reviews studies designed to evaluate composition programs at four major universities The book offers theoretical and practical guidance through discussion of generalities from the four studies and pertinent questions and guidance to evaluators of composition programs The first chapter looks at the state of the art of evaluating writing programs discussing the need for such evaluation and at two dominant approaches to writing program evaluation The second chapter discusses a quantitative model of writing program evaluation in terms of four university studies giving an overview of the dominant quantitative approach Chapter 3 discusses a framework for evaluating college writing programs including five components of writing program evaluation and the final chapter discusses accommodating context and change in writing program evaluation HTH *Beyond the Grammar Wars* Terry Locke, 2010-04-05 Are there evidence based answers to the broad question What explicit knowledge about language in teachers and or students appears to enhance literacy development in some way Distinguished by its global perspective its currency and its comprehensiveness Beyond the Grammar Wars provides an historical overview of the debates around grammar and English literacy teaching in four settings the US England Scotland and Australia offers an up to date account of what the research is telling and not telling us about the effectiveness of certain kinds of grammar based pedagogies in English literacy classrooms takes readers into English literacy classrooms through a range of examples of language grammar based pedagogies which have proven to be successful addresses metalinguistic issues related to changes in textual practices in a digital and multimodal age and explores the challenges for educators who are committed to finding a usable grammar to contribute to teaching and learning in relation to these practices All of the contributors are acknowledged experts in their field Activities designed for use in language and literacy education courses actively engage students in reflecting on and applying the content in their own teaching contexts

International Guide to Student Achievement John Hattie, Eric M. Anderman, 2013-01-17 The International Guide to Student Achievement brings together and critically examines the major influences shaping student achievement today There are many often competing claims about how to enhance student achievement raising the questions of What works and What works best World renowned bestselling authors John Hattie and Eric M Anderman have invited an international group of scholars to write brief empirically supported articles that examine predictors of academic achievement across a variety of topics and domains Rather than telling people what to do in their schools and classrooms this guide simply provides the first ever compendium of research that summarizes what is known about the major influences shaping students academic achievement around the world Readers can apply this knowledge base to their own school and classroom settings The 150 entries serve as intellectual building blocks to creatively mix into new or existing educational arrangements and aim for quick easy reference Chapter authors follow a common format that allows readers to more seamlessly compare and contrast

information across entries guiding readers to apply this knowledge to their own classrooms their curriculums and teaching strategies and their teacher training programs **Research on Written Composition** George Hillocks (Jr.),1986 The Broadview Guide to Writing - Revised Canadian Sixth Edition Doug Babington,Don LePan,Maureen Okun,Nora Ruddock,2016-12-15 Increasingly writing handbooks are seen as over produced and overpriced One stands out The Broadview Guide to Writing is published in an elegant but simple format and sells for roughly half the price of its fancier looking competitors That does not change with the new edition what does change and stay up to date is the book s contents For the sixth edition the coverage of APA Chicago and CSE styles of documentation has been substantially expanded the MLA section has now been fully revised to take into account all the 2016 changes Also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one s own work of balance and parallelism and of issues of gender race religion etc in writing The chapter Seeing and Meaning Reading and Writing About Visual Images is entirely new to the sixth edition
