Emotional Structure, Creating the Story Beneath the Plot Peter Dunne, 2007 The leap from concept to final draft is great and the task is filled with hard work and horrors It is here that most writers struggle to get the plot right at the expense of the story's real power The result is a script that is logical in every way yet unmoving Emotional Structure by Emmy and Peabody Award winning producer writer and teacher Peter Dunne is for these times when the plot fits nicely into place like pieces in a puzzle yet an elemental terribly important something remains missing The missing piece won't be found by adding action you can't stir the soul with a car chase And the problem won't be helped by a change of location the only location that matters is deep in your protagonist The solution is to pay constant attention to the inseparable nature of plot development and emotional development When you create any scene whether it's a police pursuit on the interstate or a heart to heart in the kitchen the emotional reasoning behind the scene has to be evident When you develop the emotional current that sustains the action you create a scene with heart and soul and you and your viewers are going to feel the passion

Camy uses examples from proposals for her own novels which garnered her contracts with Christian publishers Zondervan, HarperCollins, and Love Inspired Suspense/Harlequin. There is also a special section on spiritual internal arcs since Christian novels tend to have strong spiritual threads in the stories. Even if your story is not inspirational, the internal arc section will help you outline a strong internal arc for your character or troubleshoot if the internal arc has some weaknesses. This version of the Synopsis worksheet includes extra examples, tips on trimming synopses, exercises on chapter-by-chapter and character synopses. Also in this version is an appendix of extra articles including "The 50 word elevator pitch," story blurbs including the ones used in Camy's original proposal for her Inspirational chick lit Sushi series which she submitted to Zondervan. The basic structure of a proposal. The example of Camy's original proposal for her Inspirational romantic suspense Protection for Hire series which she submitted to Zondervan.

Leading by Story Vaughan S. Roberts,David Sims,2017-09-30 There is a great deal of interest in churches across the UK US and Europe about applying ideas from the world of leadership and management to Christian ministry There are those who wish to apply sometimes quite uncritically mechanistic approaches which they hope will enable churches to be run in a more business like manner There are also those who argue that insights from organizational studies have no place whatsoever in

churches This innovative and original book builds on qualitative thinking about organizational narrative and argues that it can provide significant insights into how churches function which is much more in keeping with their ethos and history As well as analysing how stories and storytelling work in churches it also provides practical ideas for how they can be used to improve church leadership Taking the work of organizational thinkers and researchers and bringing it into conversation with biblical scholars theologians and church historians the authors establish a conversation across these disciplines and explore how story and narrative work through and within churches *A Critical Dictionary of English Literature and British and American Authors, Living and Deceased* Samuel Austin Allibone, 1896
